Report to:	Audit Committee
Date:	13 June 2011
Subject:	Internal Audit Annual Report – 2011

Summary:

This report gives the Head of Internal Audit's opinion on the adequacy of the Council's governance and control environment and delivery of the Internal Audit Plan for 2011.

Recommendation(s):

That the Committee consider the content of the Head of Audit Annual Report and any actions it may wish to make.

Background

1. The Annual Internal Audit Report aims to present a summary of the audit work undertaken over the past year. In particular:
 - Include an opinion on the overall adequacy of and effectiveness of the governance framework and internal control system and the extent to which the Council can rely on it;
 - Inform how the plan was discharged and of overall outcomes of the work undertaken;
 - Draw attention to any issues particularly relevant to the Annual Governance Statement.
2. The report is attached in Appendix A.

Conclusion

Our internal audit service continues to work with the Audit Committee and Management to help the Council maintain effective governance, risk and control processes.

During 2010/11 there have been a number of areas within Adult Social Care where we have identified the need for improved compliance and strengthening of the control processes. On this basis we have recommended that this area be included in the Council's Annual Governance Statement.

We have also delivered our audit plan to agreed performance targets.
