This item provided the Partnership with a verbal update in relation to the Take Over Day on 11 November 2011. A 'Children's Commissioners Take Over Day 2011' document was circulated.

It was suggested that a Mock Children and Young People's Scrutiny Committee be held on 11 November 2011, where young people could actively participate, rather than observe.

Consideration was given to a report and presentation by Andy Birch (CfBT) which set out proposals for delivering an Olympic/Paralympic legacy for every child in Lincolnshire.

It was agreed that David McWilliams would link Looked After Children Services (LACES) with Andy Birch to explore automatic 'sign up' for the council's school age looked after children population.

Values Based Education DVD

The Partnership received a verbal update which provided it with detailed information in relation to the values based education at Washingborough Primary School. A DVD and detailed presentation was also received.

It was suggested that evidence relating to research into the effectiveness of the values based way of teaching which had been carried out by the University of Newcastle, Australia (2010) was e-mailed to the partnership.

It was also suggested that Sue Westcott, Assistant Director Children's Services, should meet with the Head Teacher for Washingborough Primary School to discuss this further.

Team Around the Child Arrangements

Consideration was given to a report by Jennie Thornton, which detailed the new working arrangements for Team Around the Child (TAC). Following the restructuring of Children's Services, there would be new arrangements in place from 1 October 2011, for the management of TAC assessment and planning.

It was proposed that Sue Westcott, Assistant Director Children's Services, evaluate the effectiveness of the new arrangements after 6 months and then again after 12 months. It was requested that all members make their respective organisations aware of the arrangements.
