Action 2:

Key Tasks/activities	Success Measure/s	Completion
We want to reduce the impact of poverty on children's lives by tackling the underlying causes and mitigating the effects.	Completion of Childcare Sufficiency Assessment in line with the revised government guidelines.	Awaiting confirmation of Government timetable
	Activity update The Childcare Sufficiency Assessment shows that there is approximately 74% of childcare availability in the county.	Completion update This is completed

Action 3:

Key Tasks/activities	Success Measure/s	Completion
We want to reduce the impact of poverty on children's lives by tackling the underlying causes and mitigating the effects.	Assess the impact on Foundation Stage Profile score of those children accessing their early years grant entitlement through a children's centre compared to those that do not.	September 2012
	Activity update	Completion update
	Work to match the foundation stage profile results of children at the age of five relating to attendance and registration at children's centres has been completed and work is now underway to analyse this data to establish the impact of children's centres services on foundation stage outcome profiles	This will be completed by March 2013
