

Multi Agency Inspection 2013

Background

- ▶ CRA inspections

assess the effectiveness of all front-line practice in managing potential risks to children and young people and to minimise the incidence of abuse and neglect

- ▶ Interim CP inspection

key aspects of a child's journey through the child protection system, focusing on the experiences of the child or young person, and the effectiveness of the help and protection that they are offered

- ▶ Multiagency inspection

The experiences of CYP, the effectiveness of help and protection they receive and the quality of practice that protects them
