

Proposed Amendment to Part 2, Article 6.08 of the County Council's Constitution relating to the Environmental Scrutiny Committee

The Environmental Scrutiny Committee will, as required, sit as Lincolnshire County Council's Flood and Drainage Management Scrutiny Committee.

The Flood and Drainage Management Scrutiny Committee will comprise the 11 members of the Environmental Scrutiny Committee and seven co-opted non-executive district councillors, one to be nominated by each of Lincolnshire's seven district councils.

The seven co-opted district councillors will have full voting rights on the Committee and replacement members will be permitted, in accordance with the scheme adopted by the County Council in accordance with paragraphs 12-14 of Schedule 1 of the Local Government Act 2000.

The Flood and Drainage Management Scrutiny Committee will sit as frequently as is required to perform its role but will meet at least once every calendar year.

Terms of Reference

The Flood and Drainage Management Committee will be authorised to consider the following:

- How Lincolnshire County Council delivers its local leadership role in relation to flood and drainage management.
- The development & delivery of the Local Flood Risk Management Strategy.
- The work of all flood risk management authorities operating within Lincolnshire.
- The effectiveness of the partnership framework.
- The local implementation of the Environment Agency-led National Strategy for Flood Risk and Coastal Erosion.
- Action plans for Shoreline Management Plans and Catchment Flood Management Plans (main rivers).
