LINCOLNSHIRE WASTE PARTNERSHIP

SUBJECT : SPECIAL SERVICES

REPORT BY: IAN TAYLOR

CONTACT NO: 01522 552376

BACKGROUND INFORMATION

The County Council has been providing a truck and two crew members for a number of years to support district council cleansing operations particularly related to the clearance of fly-tipping.

DISCUSSIONS

Since the introduction of the scheme the special services team has visited each of the six rural districts by rota, with the City of Lincoln Council having agreed to re-allocate their week due to the presence of an existing special services team operating just in the City.

The County Council would welcome constructive feedback on the effectiveness of this service from the District Councils, and any efficiency improvements that might be achievable.

RECOMMENDATIONS

The Partnership is recommended to note the contents of this report and express both individual and collective views on the service provided by the County Council at this meeting.
