

**REPORT REFERENCE: 3.1**

**LINCOLNSHIRE WASTE PARTNERSHIP**

**9 DECEMBER 2010**

<b>SUBJECT:</b>	<b>LINCOLNSHIRE JOINT MUNICIPAL WASTE MANAGEMENT STRATEGY – ACTION PLAN UPDATE</b>
<b>REPORT BY:</b>	<b>WASTE OFFICER GROUP</b>
<b>CONTACT NO:</b>	<b>IAN TAYLOR (01522) 552376</b>

#### **BACKGROUND INFORMATION**

It has been agreed that the Waste Officer Group would present a formal update on the Joint Municipal Waste Management Strategy Action Plan to the Waste Partnership every six months.

This is the third update which follows on from the report made to this committee in June 2010.

The Waste Officer Group has reviewed the Action Plan and as well as showing progress and updates considers that the plan needs a more thorough revision to reflect the changed circumstances now appertaining to the waste partnership.

Therefore the attached appendix shows a number of actions to be deleted as either they have been completed or are simply no longer applicable, as well as a number of other separate actions that would be best combined under a single heading.

#### **DISCUSSIONS**

The Waste Partnership is invited to consider the revised Action Plan attached as an Appendix to this report.

**OPTIONS**

The Waste Partnership has the option of accepting the revised Action Plan or of referring it back to the Waste Officer Group for further work to take into account the views and recommendations of this Committee.

**RECOMMENDATIONS**

1. The Waste Partnership is recommended to note the progress made against the Action Plan in the appendix attached to this report;
2. The Waste Partnership is recommended to agree the revisions to the Action Plan in the appendix attached to this report.
