01.10.09		Update required					
6	Re-launch of the Real Nappy Campaign	Take up of real nappy incentive scheme	County Officer Doug Robinson				
UPDATE:							

Objective 3: Across Lincolnshire to achieve 55% recycling and composting by 2015

No/ Ref	Action	Performance Measure	Lead Officer	Target Years			Outcome
1	Awareness campaigns to improve performance	National indicators	County Officer Douglas Robinson			Ongoing to March 2015	Achieve target of 55% combined recycling and composting by 2015
	Develop Communications Strategy			Oct 2010			
UPDATE:							
05.05.10		Communication calendar agreed by Recycling Officer Group.					
07.04.10		Looking at campaigns during Real Nappy week, Recycle Week etc					
07.04.10		Officer changed from Lisa Foster to Douglas Robinson					
2	Recycle street sweepings	% of road sweepings recycled when compared with the total	District Officer Roy Ormsby	March 2010	March 2011	March 2012	30% of all road sweepings recycled by March 2010 40% by March 2011 50% by March 2012
UPDATE:							
05.05.10		Trial using Louth WTS completed. Opportunities for diversion identified. To be considered at next OWG.					
01.10.09		East Lindsey to co-ordinate. To discuss at next Officer Working Group meeting					

Objective 4: Across Lincolnshire to achieve a uniform dry recyclables waste stream by 2013

No/ Ref	Action	Performance Measure	Lead Officer	Target Years			Outcome
1	Ensure recycling contract will handle all relevant waste streams	Number of facilities/authorities covered by long term contracts	County Officer Ian Taylor	Ongoing	Ongoing	Ongoing	Assured disposal point for all waste streams
UPDATE:							
05.05.10	New contracts handle participating WCA recycling waste streams. On hold until next round of contracting.						
30.10.09	Looking at mechanism to add other streams, Ian Taylor to update. Mark Taylor to send details to Ian Taylor on recyclables matrix.						
01.10.09	Officer changed to Ian Taylor						

2	Achieve a uniform dry recyclable waste stream across the County	Number of authorities achieving the agreed dry recyclable mix	County Officer Ian Taylor			March 2013	All authorities have the same dry recyclable waste stream
UPDATE:							
05.05.10	On hold until next round of contracting.						
01.10.09	Officer changed to Ian Taylor – currently on hold						

Objective 5: To increase progressively the recovery and diversion of biodegradable waste from landfill, to meet and exceed the Landfill Directive diversion targets.

Objective 6: To ensure that residual waste treatment supports energy recovery and other practices higher up the waste hierarchy

No/ Ref	Action	Performance Measure	Lead Officer	Target Years			Outcome
1	Deliver the EfW	Delivery to the timescale	County Officer Sean Kent			April 2013	Energy from Waste facility working effectively
UPDATE:							
05.05.10	Competitive dialogue progressing well and on schedule. Contractor to be appointed by September 2010.						
30.10.09	Detailed update for Lincolnshire Waste Partnership with Waste Transfer Station issues						
2	Deliver Waste Transfer Stations to West Lindsey, North Kesteven, South Kesteven and potentially a joint South Holland and Boston Borough Council facility	Delivery to the timescale	County Officer Sean Kent			April 2013	Operation of the Energy from Waste facility is supported by an efficient and effective network of waste transfer stations
UPDATE:							
05.05.10	Sites identified and land purchase being completed for Grantham and Boston. Sites identified and land purchase underway for Gainsborough and Sleaford.						
30.10.09	Detailed update for Lincolnshire Waste Partnership with Waste Transfer Station issues						
3	Deliver a Waste Data Management System	System installed and operational	County Officer Ian Taylor	July 2011			WDMS managing waste data across all county facilities
UPDATE:							

Objective 7: To deliver best value for money waste management services addressed on a countywide basis.

No/Ref	Action	Performance Measure	Lead Officer	Target Years			Outcome
1	Review of Lincolnshire Joint Municipal Waste Management Strategy	Review completed	County Officer	March 2013			New strategy adopted by all Lincolnshire Waste Partnership partners.
UPDATE:							
2	Consider cross border working for co-ordinated waste collection services	Cost of waste collection per household	District Officer Roy Ormsby			March 2013	Reduction in cost of waste per household
UPDATE:							
05.05.10	On hold until final location of WTS network confirmed.						
01.10.09	WebAspx will help with this action once data input has been completed						

Objective 8: To engage with local businesses to encourage the reduction and recycling of commercial waste

No/Ref	Action	Performance Measure	Lead Officer	Target Years			Outcome
1	Produce a trade waste recycling directory for Lincolnshire	Delivery of Directory	District Officer Tony Gray		Oct 2010		Increased use of recycling facilities for business waste
	Provide information to businesses through routine engagements (e.g. Env Health, Trading Standards, Eco Dev)				Oct 2010		
UPDATE							
05.05.10	Draft for circulation by July.						
07.04.10	Officer changed from Caroline Pritchard to Peter Metcalf						
07.04.10	Needs OWG clarification on purpose, format, audience of the directory. Draft expected May 2010						
27.01.10	Draft to LWPOWG in February						
01.10.09	Draft available, officer changed to Caroline Pritchard. To go to Lincolnshire Waste Partnership in March						

2	Promote use of local commercial facilities for AD to businesses if appropriate	Number of commercial AD facilities in Lincolnshire	County Officer Doug Robinson	Ongoing			Local commercial facilities for AD fully supported
