

Open Report on behalf of Richard Wills - Executive Director - Communities

Report to:	Mid-Lincolnshire Local Access Forum, South Lincolnshire & Rutland Local Access Forum
Date:	11th October 2011 & 12th October 2011
Subject:	Progress of Orders Work from October 2006 – 1st October 2011

Summary:

A report on the progress of Definitive Map Modification Order work since the inception of the current prioritisation policy (October 2006 – 1st October 2011) and current caseloads following workforce change.

Recommendation(s):

That the report is noted

1. Background

As Surveying Authority the County Council has a statutory duty to keep under continuous review the Definitive Rights of Way Map and Statement for Lincolnshire and to make orders to take account of events requiring the map to be modified. This is carried out by the processing of Definitive Map Modification Orders (DMMOs) which are either applied for by the public or initiated by the Authority on the discovery of evidence.

Highways & Traffic Guidance Note HAT33/3/11 sets out that such cases will be dealt with in order of receipt/initiation unless one or more of the eight “exception criteria” apply.

The criteria are as follows:

1. Where there is sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce.
2. Where there is a significant threat to the route, likely to cause a permanent obstruction (e.g. a building, but not, for example, a locked gate or residential fencing).

3. Where there is, or has been, a finding of maladministration by the Local Government Ombudsman on a particular case and that in processing the case the County Council will discharge its duty to the Ombudsman's decision.
4. Where legal proceedings against the County Council are instigated or are likely to be instigated and it is possible that the Authority has a liability.
5. Where there is a risk to children on County Council owned property and land or where the claimed route would provide for a safer alternative route to a school, play area or other amenity for children.
6. Where there is a significant financial saving to the County Council (and therefore taxpayers) through the processing of an Order.
7. Where a new application is received that relies on evidence of a case already received or, if the new application forms part of or is adjoining to an existing claim, the new claim will be dealt with at the same time as the older application.
8. Where the route will significantly assist in achieving a Countryside and Rights of Way Improvement Plan Objective or Statement of Action.

The above numbered exception criteria do not cover every eventuality and it is recognised that in exceptional circumstances there may be other reasons why it would benefit the public for a case to be considered out of normal order. Officers will not prioritise any case under such circumstances and any appeal will only be considered by the Definitive Map & Statement of Public Rights of Way Sub-Committee.

Initially the priority of a case is set by Officers however there is a right of appeal for any affected persons whereby a decision is made by the Definitive Map & Statement of Public Rights of Way Sub-Committee.

Appendices A, B and C to this report outline the progress that has been made over since the inception of the revised Schedule of Priorities and 1st October 2011. It should be noted that the proposed timescales for completing cases has been affected by the long-term sickness of one of the Definitive Map Officers leading to a reallocation of their work. This reallocation is not reflected in the appendix which outlines the position from the start of the financial year.

2. Future Progress Following Workforce Change

Following Workforce Change there are now four Definitive Map Officers concerned with progression of casework and the post of Senior Definitive Map Officer has been disestablished.

For the remainder of financial year 2011-12 the section will temporarily be reduced to two officers during periods of known maternity and sick leave

3. Conclusion

That the Rights of Way & Countryside Access Section has continued to make progress against targets however targets for 2011-12 will need to be revised in light of workforce change and known absence.

b) Executive Councillor Comments

Appendix A - Schedule of Modification Order Cases Completed October 2006 to 1st October 2011

The current Schedule of Priorities policy is now five years old (albeit with some minor alterations since the original of 2006). In that time Lincolnshire County Council has resolved the following:

• Cases resolved by determining that insufficient evidence exists to warrant the making of an order	17
• Cases resolved following the confirmation of an order	38 (9 by Secretary of State)
• Cases resolved following the non-confirmation of an order	10
• Cases currently outstanding with the Planning Inspectorate on behalf of the SoS	4
• Total cases	69

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

Since the inception of the current prioritisation policy the Definitive Map & Statement of Public Rights of Way Sub-Committee has heard appeals on a total of 12 cases. The following is a synopsis of the progress made on those specific cases.

1st March 2007

Horncastle – Claimed Public Footpath along Holt Lane to Banovallum Gardens

At the time of this sitting of the sub-committee this case was number 74 on the priority list. The sub-committee declined the appeal as it was felt that the case was likely to be dealt with in a short timescale

As the case had not been processed a further review of the decision was made at the sitting of the sub-committee on 30th June 2008 – see below.

Mablethorpe and Sutton – Claimed Public Footpath from Queensway to King George's Field

This case was number 142 on the priority list. The sub-committee allowed the appeal on the grounds that there was evidence that there was “Significant threat to the route and likely to cause a permanent obstruction with no means of resolving the problem by way of diversion “.

The Statement of Reasons for this case was submitted to the Secretary of State on 27th April 2010. The Order was **NOT CONFIRMED**

4th June 2007

Stamford – Claimed Public Footpath from Welland Mews to Lower Stamford Meadows

This case was number 168 on the priority list. The sub-committee declined the appeal as it was felt that the submitted petition was not representative given the size of Stamford as a town.

Since this time a second appeal was made following the inclusion of the new exception criteria 8 in 2009. Officers accepted that the claimed route would have a significant impact on the implementation of the Countryside Access & Rights of Way Improvement Plan. The case is currently in its research phase prior to a decision as to whether the evidence supports the claimed route.

10th January 2010

Eagle & Swinethorpe / Swinderby: Claimed Public Bridleway from Southern lane to Public Bridleway 12 (Morton Lane)

This case was number 110 on the priority list. The sub-committee allowed the appeal on the grounds that there was “sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce”.

Having conducted the relevant research the County Council felt that the evidence suggested that restricted byway rights, rather than public bridleway rights, existed. The order was **CONFIRMED**

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

Sleaford – Claimed Public Footpath from Millfield Terrace to Eastgate

This case had not been prioritised by officers at the time of the sitting of the sub-committee. The appeal was allowed on the grounds that there was “a risk to children on County Council owned property or where routes are likely to be used by children to provide safe access to schools, play areas or other local amenities”.

Following the relevant research the County Council concluded that the submitted evidence did not show that any public right of way existed. The applicant exercised their right to appeal this decision to the Secretary of State in January 2009. the appeal was not upheld and the **ORDER WAS NOT MADE**

30th June 2008

Lea – Claimed Public Bridleway from Lea Park to new plantation off Willingham Road, (nr Gainsborough)

This case was number 147 on the priority list. The sub-committee declined the appeal as it was felt that the arguments made by the appellant did not match any of the exception criteria.

Since this time a second appeal was made following the inclusion of the new exception criteria 8 in 2009. The sub-committee allowed this appeal at the sitting of 14th September 2009 on the grounds that the claimed route would have a significant impact on the implementation of the Countryside Access & Rights of Way Improvement Plan.

After conducting research and assessing the evidence the County Council made an order on 16th July 2010. The Order was **CONFIRMED**

Horncastle – Claimed Public Footpath along Holt Lane to Banovallum Gardens

See above.

The sub-committee prioritised the case on the grounds that new information suggested that there was “a risk to children on County Council owned property or where routes are likely to be used by children to provide safe access to schools, play areas or other local amenities”.

The Statement of Reasons for this case has been completed and has now been passed to Legal Services Lincolnshire for final checking before submission to the Secretary of State.

19th January 2009

Burgh le Marsh – Claimed Public Footpath from Faulkners Lane to Orby Road.

This case was number 77 on the priority list. The sub-committee declined the appeal as it was felt that the arguments made by the appellant did not match any of the exception criteria.

No further progress has been made on this case.

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

Dogdyke (Chapel Hill) – Claimed Public Footpath from The Crown Inn Public House to the River Witham.

This case was number 94 on the priority list. The sub-committee allowed the appeal on the grounds that legal proceedings against the County Council were likely to be instigated and it is possible that the Authority has a liability.

Following the relevant investigations the County Council made an order on 1st June 2010 and, with no objections being made, the Order was **CONFIRMED**

29th June 2009

Lincoln - Claimed Public Footpath from Dunkirk Road to Breedon Drive

This case was number 141 on the priority list. The sub-committee declined the appeal as it was felt that the arguments made by the appellant did not match any of the exception criteria.

No further progress has been made on this case.

Mumby - Realignment of Public Footpath No. 59

This case was number 142 on the priority list. The sub-committee allowed the appeal on the grounds that legal proceedings against the County Council were likely to be instigated and it is possible that the Authority has a liability.

Following investigation an Order was made and with objections withdrawn the Order was **CONFIRMED**.

14th September 2009

See 30th June 2008 above

12th October 2009

Raithby & Hundleby – Claimed Byway Open to All Traffic (BOAT) & upgrade of Public Bridleway No 133 to BOAT

This case was number 155 on the priority list. The sub-committee declined the appeal as it was felt that the arguments made by the appellant did not match any of the exception criteria.

No further progress has been made on this case although it has been subject to protracted correspondence and a corporate complaint. The applicant also exercised their right of appeal to the Secretary of State following the expiration of one year since the application was made. The Secretary of State felt that LCC's Schedule of Priorities was fair and declined to order that a decision be made.

4th October 2010

Caistor – Claimed Public Footpath between Buttermarket & Plough Hill

This case was number 153 on the priority list. The sub-committee allowed the appeal on the grounds that there was "sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community,

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

and that in processing the case early there is a strong likelihood that this will reduce”.

The research phase of the process is drawing to a conclusion and a decision is imminent.

5th September 2011

Mablethorpe & Sutton – Claimed Public Footpath from Sandhurst Road to the Promenade

The case was 129 on the priority list. The sub-committee did not allow the appeal based on the grounds that there was “sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce” also the Town Council felt that the claimed route may be useful to the fire-brigade in dealing with the regular arson attacks to the beach huts at Sandilands.

Wrangle – Claimed Byway Open to All Traffic “Cockleshell Alley”

This case was number 94 on the priority list. The sub-committee allowed the appeal on the grounds that there was “sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce”.

The case has not yet been allocated to a case officer.

3rd October 2011

At the time of writing the meeting of 3rd October 2011 had not taken place however the Sub-Committee are to hear reports for the following

Bourne – Claimed Footpath from Beaumont Drive to Bourne Woods (No.142 on the Priority List).

Holbeach – Claimed Footpath between Langwith Gardens & Stukeley Hall Drive (No. 67 on the Priority List).
