Consultation process: five yearly review of the Agreed Syllabus for Religious Education

Dear teacher

Although we are justifiably proud of the Lincolnshire syllabus and the impact it has had upon RE teaching we have a statutory duty to review it every five years. As the present syllabus was introduced in 2006 we need to begin this process now. Our starting point is to collect the views of teachers and with that in mind I would be grateful if you could complete the following questionnaire and send it to.....by.....

You will be kept informed of developments as work on the syllabus progresses.

Yours sincerely

Councillor Mrs Christine Talbot
