IS THE REPORT CONFIDENTIAL?	No

SUMMARY: The report summarises the positive features and areas for development in those schools inspected by OFSTED since the last report presented to SACRE on March 9th 2010.

DISCUSSION: The Office for Standards in Education (OFSTED) introduced a new Framework for inspections in September 2009, but still under Section 5. As with the previous framework there is still no separate paragraph for spiritual, moral, social and cultural development. These aspects are now covered in 'outcomes for individuals and groups of pupils' and one grade given for all four aspects. From September 2009 inspectors have also had to grade the effectiveness with which schools promote community cohesion.

RECOMMENDATION: That the report and comments of the SACRE be noted.

APPENDICES – None
