1 QUESTIONS FROM MEMBERS OF THE PUBLIC TO THE FORUM

Questions asked by members of the public of the Forum prior to the formal business on the agenda included:-

1. What was the latest situation in connection with the High Level Stewardship scheme?
2. What was being done to improve public access in the Huttoft area and on the east coast?
3. When problems of public access were reported there was a lack of action by the County Council.
4. What responsibility had farmers to maintain public access across their land?
5. What was the law in connection with bulls in fields where there was public access?
6. Was it possible to use private finance to fund the cost of repairing or refurbishing new bridges?

Responses to the questions asked by the public included:-

1. The financing of Permissive Paths would be considered at the next meeting of the Forum. With regard to the High Level Stewardship scheme because of EU rules the British Government was not allowed to allocate funds for the scheme and schemes up for renewal would not be renewed.
2. Public access on the east coast had been a problem for some time due to neglect and lack of enforcement. This was one of the outcomes of the Public Rights of Way Survey conducted for the Lincolnshire Coastal Country Park. It was hoped in the future to increase funding to deal with complaints and access issues but this issue would take some time to address.
3. The system of reporting and responding to complaints at the Council was explained.

**MID-LINCOLNSHIRE LOCAL ACCESS FORUM
22 JULY 2014**

4. Farmers had a responsibility to maintain public access across their land. Reports of inaccessible routes across agricultural land were investigated and the necessary enforcement action taken by the County Council.

5. Laws existed in connection with bulls in fields.

MID-LINCOLNSHIRE LOCAL ACCESS FORUM

71.98% for the 2013 county wide survey. The majority of the routes in the Country Park had failed for more than one reason and these were detailed in the report.

Responses to comments made by the Forum included:-

1. Routes of public access in the Country Park footpath had been examined in their entirety.
2. An action plan was being prepared to examine circular routes in the Country Park and the public and Parish Councils would be consulted.
3. A Task Group had been established to examine access and recreation in the Country Park and there was an Advisory Panel which met once a year and consulted with the Parish Councils about public access issues.

2. Getting landowners appointed as members on the Mid Lincolnshire Local Access Forum was an issue.
3. With regard to priorities for the year ahead only Sandra Harrison had submitted comments and her comment about the need for the training of Parish and Town Councillors about public access was the most relevant.
4. When new County Councillors were elected they were given an opportunity to attend training sessions on public access.
5. The most useful contact points were Parish Clerks for the dissemination of information.
6. The Forums' role in advising Councils about footpaths.
7. Owing to a reduction in resources to maintain public access in recent years it was becoming increasingly difficult for the Council to maintain all footpaths.
8. 120 volunteers helped to maintain footpaths and there were 90 Parish Council partnerships.

**MID-LINCOLNSHIRE LOCAL ACCESS FORUM

North East Lincolnshire ROWIP Objectives

NELC ROWIP Key Action	Project Details	Comments	Update
KA08, KA11 & KA19	Safer Road Crossings	Joint partnership project with road safety team to improve exit points onto busy A road and installation of information promotional boards.	Public Footpath 21 <u>Stallingborough</u> currently crosses busy Stallingborough Interchange. Diversion considered necessary to relocate path to safer line away from the Interchange. Given priority as new A18/A180 link road to be added to Interchange in 2014/15 which will increase volume of HGV traffic, increasing risk to users of the path. Consultant employed to expedite case file. Diversion meets Key Action 8 of NELC RoWIP. Order has been advertised and objections received. Consultant to be employed to review case. <u>Bridleway 91 Ashby Cum Fenby</u> has had to be closed due to deterioration of embankment at exit point onto Barton Street. Diversion Order considered appropriate solution to divert exit to safer, flatter location further along Barton Street directly opposite ongoing route to avoid users having to walk, cycle and ride along narrow roadside verge. Consultant employed to expedite case file. Diversion meets Key Action 8 of NELC RoWIP. Given priority as closure has severed access to southern end of network. Order advertised with 1 unresolved objection from landowner affected. Has been referred to Secretary of State for determination.
KA5, KA9, KA11 & KA13	Strategic Urban Path Improvement Plan	Project to deliver surface upgrades to existing well used paths in the urban area.	Planned works to improve 2 further paths last year were put on hold due to lack of available funding. These projects have been carried forward to this year - Bradley BW93 & East Ravendale BW137.
KA01 & KA03	Reinstatement of FP72	Ongoing legal issues to determine accurate line of FP72 requiring amendment to Definitive Map and reinstatement of path on the ground.	Decision made by Inspector not to confirm 2013 diversion order. NELC now considering best way forward but remain committed to reinstating FP72.
KA1, KA2, KA3 & KA4	Definitive Map Issues	Address legal deficiencies with a view to eventually producing an up to date Consolidation Map.	Process to produce new Consolidated Definitive Map for the North East Lincolnshire area is currently underway. Current Definitive Map has a relevant date of June 1953. Consolidating the Def Map will take into account recent resolution of over 110 Legal Orders during the last year.
KA4 & KA5	Policy Development	Produce & develop policies under which the Authority will deal with specific issues.	Currently drafting a 'Gaps, gates and stiles' policy to address unnecessary limitations upon the network and formalise the application process for landowners for new furniture.
	Grimsby Bridleway Project	Scheme to address lack of bridle links from rural villages to urban area.	A project has recently commenced that is looking to create a bridle link to the urban area, using publicly accessible land alongside the River Freshney.

- Rural Economy and Tourism – *Strategic Aim to support local businesses and tourism through access improvements*
- Social Issues – *Strategic Aim to enable more people to enjoy walking and riding*

Open Report on behalf of Richard Wills - Executive Director for Environment & Economy

Report to: **South/Mid Lincolnshire Local Access Forums**
Date: **15/28 October 2014**
Subject: **Progress of Orders Work from October 2006 – 23rd September 2014**

Summary:

A report on the progress of Definitive Map Modification Order work since the inception of the current prioritisation policy (October 2006 – 23rd September 2014) and current caseloads

Recommendation(s):

That the report is noted

1. Background

As Surveying Authority the County Council has a statutory duty to keep under continuous review the Definitive Rights of Way Map and Statement for Lincolnshire and to make orders to take account of events requiring the map to be modified. This is carried out by the processing of Definitive Map Modification Orders (DMMOs) which are either applied for by the public or initiated by the Authority on the discovery of evidence.

Highways & Traffic Guidance Note HAT33/3/11 sets out that such cases will be dealt with in order of receipt/initiation unless one or more of the eight “exception criteria” apply.

The criteria are as follows:

1. Where there is sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce.
2. Where there is a significant threat to the route, likely to cause a permanent obstruction (e.g. a building, but not, for example, a locked gate or residential fencing).

3. Where there is, or has been, a finding of maladministration by the Local Government Ombudsman on a particular case and that in processing the case the County Council will discharge its duty to the Ombudsman's decision.
4. Where legal proceedings against the County Council are instigated or are likely to be instigated and it is possible that the Authority has a liability.
5. Where there is a risk to children on County Council owned property and land or where the claimed route would provide for a safer alternative route to a school, play area or other amenity for children.
6. Where there is a significant financial saving to the County Council (and therefore taxpayers) through the processing of an Order.
7. Where a new application is received that relies on evidence of a case already received or, if the new application forms part of or is adjoining to an existing claim, the new claim will be dealt with at the same time as the older application.
8. Where the route will significantly assist in achieving a Countryside and Rights of Way Improvement Plan Objective or Statement of Action.

The above numbered exception criteria do not cover every eventuality and it is recognised that in exceptional circumstances there may be other reasons why it would benefit the public for a case to be considered out of normal order. Officers will not prioritise any case under such circumstances and any appeal will only be considered by the Definitive Map & Statement of Public Rights of Way Sub-Committee.

Initially the priority of a case is set by Officers however there is a right of appeal for any affected persons whereby a decision is made by the Definitive Map & Statement of Public Rights of Way Sub-Committee.

Appendices A, B and C to this report outline the progress that has been made over since the inception of the revised Schedule of Priorities and 23rd September 2014.

2. Conclusion

That the Rights of Way & Countryside Access Section has continued to make progress against casework backlogs.

3. Consultation

a) Scrutiny Comments

b) Executive Councillor Comments

c) Local Member Comments

Saltfleet / Skidbrooke	PB from Sea View to Gowts Farm	Yes 6/8/1991	27/9/2013	Public Inquiry held 16 & 17/9/2014

The current Schedule of Priorities policy is now eight years old (albeit with some minor alterations since the original of 2006). In that time Lincolnshire County Council has resolved the following:

- Cases resolved by determining that insufficient evidence exists to warrant the making of an order **19**
- Cases resolved following the confirmation of an order **45**(11 by Secretary of State)
- Cases resolved following the non-confirmation of an order **18**
- Cases currently outstanding with the Planning Inspectorate on behalf of the SoS **1**

- Total cases **83**

- New Cases received since October 2006 **63**
- New Cases received since 1st April 2014 **8**

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

Since the inception of the current prioritisation policy the Definitive Map & Statement of Public Rights of Way Sub-Committee has heard appeals on a total of 12 cases. The following is a synopsis of the progress made on those specific cases.

1st March 2007

Horncastle – Claimed Public Footpath along Holt Lane to Banovallum Gardens

At the time of this sitting of the sub-committee this case was number 74 on the priority list. The sub-committee declined the appeal as it was felt that the case was likely to be dealt with in a short timescale

As the case had not been processed a further review of the decision was made at the sitting of the sub-committee on 30th June 2008 – see below.

Mablethorpe and Sutton – Claimed Public Footpath from Queensway to King George's Field

This case was number 142 on the priority list. The sub-committee allowed the appeal on the grounds that there was evidence that there was “Significant threat to the route and likely to cause a permanent obstruction with no means of resolving the problem by way of diversion “.

The Statement of Reasons for this case was submitted to the Secretary of State on 27th April 2010. The Order was **NOT CONFIRMED**

4th June 2007

Stamford – Claimed Public Footpath from Welland Mews to Lower Stamford Meadows

This case was number 168 on the priority list. The sub-committee declined the appeal as it was felt that the submitted petition was not representative given the size of Stamford as a town.

Since this time a second appeal was made following the inclusion of the new exception criteria 8 in 2009. Officers accepted that the claimed route would have a significant impact on the implementation of the Countryside Access & Rights of Way Improvement Plan. **NOT CONFIRMED BY SoS – Deemed to be operational railway land**

10th January 2010

Eagle & Swinethorpe / Swinderby: Claimed Public Bridleway from Southern lane to Public Bridleway 12 (Morton Lane)

This case was number 110 on the priority list. The sub-committee allowed the appeal on the grounds that there was “sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce”.

Having conducted the relevant research the County Council felt that the evidence suggested that restricted byway rights, rather than public bridleway rights, existed. The order was **CONFIRMED**

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

Sleaford – Claimed Public Footpath from Millfield Terrace to Eastgate

This case had not been prioritised by officers at the time of the sitting of the sub-committee. The appeal was allowed on the grounds that there was “a risk to children on County Council owned property or where routes are likely to be used by children to provide safe access to schools, play areas or other local amenities”.

Following the relevant research the County Council concluded that the submitted evidence did not show that any public right of way existed. The applicant exercised their right to appeal this decision to the Secretary of State in January 2009. the appeal was not upheld and the **ORDER WAS NOT MADE**

30th June 2008

Lea – Claimed Public Bridleway from Lea Park to new plantation off Willingham Road, (nr Gainsborough)

This case was number 147 on the priority list. The sub-committee declined the appeal as it was felt that the arguments made by the appellant did not match any of the exception criteria.

Since this time a second appeal was made following the inclusion of the new exception criteria 8 in 2009. The sub-committee allowed this appeal at the sitting of 14th September 2009 on the grounds that the claimed route would have a significant impact on the implementation of the Countryside Access & Rights of Way Improvement Plan.

After conducting research and assessing the evidence the County Council made an order on 16th July 2010. The Order was **CONFIRMED**

Horncastle – Claimed Public Footpath along Holt Lane to Banovallum Gardens

See above.

The sub-committee prioritised the case on the grounds that new information suggested that there was “a risk to children on County Council owned property or where routes are likely to be used by children to provide safe access to schools, play areas or other local amenities”.

The case has been **CONFIRMED** with modifications following submission to the Secretary of State.

19th January 2009

Burgh le Marsh – Claimed Public Footpath from Faulkners Lane to Orby Road.

This case was number 77 on the priority list. The sub-committee declined the appeal as it was felt that the arguments made by the appellant did not match any of the exception criteria.

No further progress has been made on this case.

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

Dogdyke (Chapel Hill) – Claimed Public Footpath from The Crown Inn Public House to the River Witham.

This case was number 94 on the priority list. The sub-committee allowed the appeal on the grounds that legal proceedings against the County Council were likely to be instigated and it is possible that the Authority has a liability.

Following the relevant investigations the County Council made an order on 1st June 2010 and, with no objections being made, the Order was **CONFIRMED**

29th June 2009

Lincoln - Claimed Public Footpath from Dunkirk Road to Breedon Drive

This case was number 141 on the priority list. The sub-committee declined the appeal as it was felt that the arguments made by the appellant did not match any of the exception criteria.

No further progress has been made on this case.

Mumby - Realignment of Public Footpath No. 59

This case was number 142 on the priority list. The sub-committee allowed the appeal on the grounds that legal proceedings against the County Council were likely to be instigated and it is possible that the Authority has a liability.

Following investigation an Order was made and with objections withdrawn the Order was **CONFIRMED**.

14th September 2009

See 30th June 2008 above

12th October 2009

Raithby & Hundleby – Claimed Byway Open to All Traffic (BOAT) & upgrade of Public Bridleway No 133 to BOAT

This case was number 155 on the priority list. The sub-committee declined the appeal as it was felt that the arguments made by the appellant did not match any of the exception criteria.

No further progress has been made on this case although it has been subject to protracted correspondence and a corporate complaint. The applicant also exercised their right of appeal to the Secretary of State following the expiration of one year since the application was made. The Secretary of State felt that LCC's Schedule of Priorities was fair and declined to order that a decision be made.

4th October 2010

Caistor – Claimed Public Footpath between Buttermarket & Plough Hill

This case was number 153 on the priority list. The sub-committee allowed the appeal on the grounds that there was "sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community,

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

and that in processing the case early there is a strong likelihood that this will reduce”.

CONFIRMED following the withdrawal of objections

5th September 2011

Mablethorpe & Sutton – Claimed Public Footpath from Sandhurst Road to the Promenade

The case was 129 on the priority list. The sub-committee did not allow the appeal based on the grounds that there was “sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce” also the Town Council felt that the claimed route may be useful to the fire-brigade in dealing with the regular arson attacks to the beach huts at Sandilands.

Wrangle – Claimed Byway Open to All Traffic “Cockleshell Alley”

This case was number 94 on the priority list. The sub-committee allowed the appeal on the grounds that there was “sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce”.

CONFIRMED as a Public Bridleway on the strength of available evidence

3rd October 2011

Bourne – Claimed Footpath from Beaumont Drive to Bourne Woods (No.142 on the Priority List).

This case was number 142 on the priority list. The sub-committee deferred its decision pending the planning decision due to be considered by South Kesteven District Council. Having received this no further action is currently required.

Holbeach – Claimed Footpath between Langwith Gardens & Stukeley Hall Drive

This case is number 67 on the priority list. The sub-committee allowed the appeal on the grounds that there was “sustained aggression, hostility and ill feeling within a community that is causing severe disruption to the life of that community, and that in processing the case early there is a strong likelihood that this will reduce”

CONFIRMED

16th July 2012

Sturton by Stow – Claimed Public Footpath from Bransby to Tillbridge Lane

The case is at No.124 on the priority list. The sub-committee did not allow the appeal as it did not consider that the planning permission granted for the land adjacent had an effect on the right of way

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

5th November 2012

Utterby – Claimed Public Footpaths Grange Lane to Holywell Lane and Former Railway

The Committee allowed the appeals for these two separate cases and were in agreement with the applicant that the routes fulfilled Criteria 8 “*Where the route will significantly assist in achieving a Countryside and Rights of Way Improvement Plan Objective or Statement of Action*”.

The case has now been allocated to a case officer and is in progress. User interviews are complete and Orders have been made.

Colsterworth – Deletion of Public Footpath No. 14

The Committee allowed the appeal on the basis that it felt that the route was the subject of much local concern and had given rise to a number of incidents of ill-feeling in the community and had become a particular problem for the occupiers.

The case is at No.3 in the priority list and has been allocated to an officer.

8th April 2013

Heapham - Variation of Particulars contained in the Definitive Statement for PF 57

The Committee allowed the appeal on the basis that it felt that the route was the subject of much local concern and had given rise to a number of incidents of ill-feeling in the community.

The case is at No.9 in the priority list and has been allocated to an officer.

17th March 2014

Skegness – Claimed Public Footpath Along Sea Bank Adjacent to North Shore Golf Course

The Committee allowed the appeal on the basis that it felt that the route was the subject of much local concern and had given rise to a number of incidents of ill-feeling in the community.

It was also felt that the potential addition of the route to the Definitive Map & Statement may bring benefits to the local economy and PRow network generally and fulfilled a RoWIP aim.

The case is at No.18 in the priority list and awaits allocation to an officer

Appendix B - Progress of Modification Order Cases where Appeals to Prioritisation Have Been Made.

8th September 2014

Glentworth & Harpswell – Claimed Public Footpath between Homeyard Farm and Hermitage Farm

The Committee did not allow the appeal made on the grounds of ill feeling and aggression in the Community as it did not believe that the issues were sustained. Also the Committee did not believe that the route, on its own merit, would substantially assist in achieving a ROWIP aim or objective.
