- 11 Big Pathwatch on 13 July 2015 - Organised by the Ramblers**  
*(The Big Pathwatch is an initiative aimed at motivating communities to survey the rights of way network—footpaths, bridleways and byways—in England and Wales, and then to report their findings, both good and bad, via the Ramblers purpose-built app or our website. Once the survey closes later in the year, it is the aim to produce the first comprehensive nationwide analysis of the condition of our paths. The Ramblers are keen to hear the views of the Forum in connection with the following:-*
- *Why your community values the path network and how you use it?*
  - *What impact cuts to path budgets have had on your community?*
  - *Examples of Councils managing the path network cost effectively?)*
