Open Report on behalf of Executive Director of Finance and Public Protection

Report to:	Pensions Committee
Date:	16 July 2015
Subject:	Pension Fund Policies Review

Summary:

This report brings to the Committee the main policies of the Pension Fund for review.

Recommendation(s):

That the Committee agree the policies and note the report.

Background

1. Under the various Local Government Pension Scheme Regulations, the Pensions Committee, as the Administering Authority of the Lincolnshire Pension Scheme, is required to produce and maintain a number of key policy documents. Policies are brought to the Committee annually, and the last comprehensive review of all such policies was in July 2014. This report presents the latest version of these policies for them to be formally endorsed by the Committee.

Policies for Approval

2. The key policies to be reviewed and approved are set out as Annexes to this report. Any significant changes will be brought to the Committee's attention and explained during the meeting.

Appendix A – The Statement of Investment Principles

3. The Statement of Investment Principles sets out the Committee's approach to the investment of the Fund's assets, and how the Fund complies with the six Myners principles of good investment practice. This document is

amended whenever there is a change in the investment policy of the Fund, such as when new managers are appointed.

Appendix B - Governance Policy and Compliance Statement

4. The Governance Policy sets out the arrangements for the management of the Pension Fund, and the Compliance Statement sets out the extent that this policy complies with best practice, on a comply or explain basis.
5. Within the compliance statement, the areas where the Fund is only partially compliance are detailed below:
 - Principle A – Structure – (b) – the Committee does not include representatives for pensioner or deferred members.
 - Principle B – Representation – (a) - the Committee does not include representatives for pensioner or deferred members.
 - Principle E – Training/Facility Time/Expenses – (c) – the Committee has an annual training plan at Committee level, but not for individual members.
 - Principle H – Scope – (a) – The Committee does not have an independent observer for administration and governance issues.

Appendix C – Communications Policy

6. The Communication Policy sets out how the Fund intends to communicate with members, prospective members and employers, including the format, frequency and method of distributing any information or publicity.

Appendix D – Stewardship Code Statement

7. The Stewardship Code Statement sets out how the Lincolnshire Pension Fund complies with the FRC's (Financial Reporting Council) UK Stewardship Code. The Code aims to enhance the quality of engagement between institutional investors and companies to help improve long-term returns to shareholders and the efficient exercise of governance responsibilities. The Code sets out good practice on engagement with investee companies to which the FRC believes institutional investors should aspire and operates on a 'comply or explain' basis.
8. The other main policy, not being reviewed at this time, is the Funding Strategy Statement, which sets out the Fund's approach to managing its solvency. This is generally updated every three years, in line with the Triennial Valuation, and is the framework that guides the Fund Actuary. It was approved at the January 2014 meeting of this Committee.

Conclusion

9. In accordance with the various Local Government Pension Scheme Regulations, the Fund has prepared a number of key policy documents. The Statement of Investment Principles, Governance Policy and Compliance Statement, Communications Policy and Stewardship Code Statement have been appended to this report for review and approval by the Pensions Committee.
