

**Businesses are supported to grow and want to invest in the county; people have the skills and training to access local jobs supported by the right infrastructure and environment**

<b>Commissioning Strategy</b>	<b>Outcomes</b> Outcomes are the results or benefits for individuals, families, groups, communities, organisations or systems. Outcomes reflect priorities and resources are allocated to achieve stated outcomes.	<b>Measures</b> Measures are how we will monitor and report progress in achieving the outcome.
<p><b>Sustaining and growing business and the economy</b></p> <p>The purpose of this commissioning strategy is for businesses in our most important sectors to be developed, to encourage investment in Lincolnshire and help to train people so that there is a skilled workforce to whom businesses can offer quality jobs.</p>	<p>Jobs created as a result of the Council's support</p>	<p>Number of jobs created and safeguarded result of the Council's support</p>
		<p>Number of businesses supported by the Council</p>
		<p>Number of qualifications achieved (Skills programmes, Vocational training Programmes, Adult and Community Learning) through programme support by the council</p>
		<p>Amount of external funding attracted to Lincolnshire (including Greater Lincolnshire Local Enterprise Partnership &amp; EU funding programmes) by the council</p>
