Measure

Businesses supported by the Council

The business support schemes that we operate continue to be successful and we are assisting an average of more than 80 businesses per month. On that basis we are forecasting that we will support approximately 1000 businesses during the 2015/16 financial year. We also help to create platforms to help businesses grow, such as the Visit Lincolnshire website, but are not directly counting these businesses as we have not commissioned direct assistance to them; however, it is not unreasonable to assume that LCC's work assists a further 2000+ businesses each year.
