- 7 The Combined Authority shall transfer to the relevant Constituent Council any amount identified as allocated to that Constituent Council in the spending plans approved pursuant to paragraph 6 above

- 8 Lincolnshire County Council, North East Lincolnshire Council and North Lincolnshire Council shall be and remain the highway authority for their areas. Housing and Planning

- 1 To produce a strategic infrastructure delivery plan by September 2017 to identify the infrastructure needed to support the increased funding of new homes, and proposals to fund this through devolved infrastructure funds, through national programmes and through local funding.
- 2 With HM Government, establish a Joint Investment and Assets Board, chaired by the Mayor of the Combined Authority, to review all land and property (including surplus property and land) held by the public sector, building on its One Public Estate Programme and invest in strategic infrastructure priorities. The Board will include representatives from HM Government. This Board will ensure there is a sufficient, balanced supply of readily available sites for commercial and residential development to meet the demands of a growing Greater Lincolnshire economy. It will create a comprehensive database of available public and private sector land, identify barriers to its disposal/development, and develop solutions to address those barriers to help Greater Lincolnshire Combined Authority meet its housing goals and to unlock more land for employment use.
- 3 To establish with the assistance of HM Government stronger partnership with the Homes and Communities Agency (HCA) to ensure that Greater Lincolnshire's strategic housing objectives are delivered, and that centrally and locally managed investments are strategically aligned including alignment of HCA investment with the local Strategic Infrastructure Delivery Plan.
- 4 To develop detailed proposals meeting value for money and other funding criteria, on the basis of which HM Government will work with the Combined Authority and its Constituent Councils to provide:
 - a) **Support on large sites:** strong partnership to support key large housing sites (1,500 homes +) with brokerage at the local (through Homes and Communities Agency support) and central government level to help resolve barriers, with utility companies, or government agencies, which are holding up the development process. Continued discussions to secure longer term frameworks for funding of key sites, subject to the development of a business case, value for money and other funding criteria.
 - b) **Support on new settlements:** support in line with local areas' ambitions for any new housing settlements, including any new settlements based on garden town principles, to be taken forward via Mayoral Development Corporations or other emerging vehicles. Subject to Parliament, the HM Government intends to strengthen legislation to make it easier to set up new town style vehicles.
 - c) **Joint action to deliver early on starter homes:** bringing forward sites where housing delivery would not otherwise have happened. The Homes and Communities Agency will work in partnership with the area's local authorities to identify and invest in suitable land.

- d) **Support for streamlining planning delivery:** to enable local planning authorities to accelerate housing growth. This could include the development of proposals for ambitious reforms in the way that planning services are delivered, and which could enable greater flexibility in the way that fees are set, with a particular focus on proposals which can streamline the process for applicants and accelerate decision making.
 - e) **Continued dialogue:** the opportunity for continued dialogue on the longer term potential for greater leadership and autonomy in housing delivery, and a greater role in housing funding decision-making in Greater Lincolnshire.
- 5 To adopt and promote a strategic approach to spatial planning issues in support of the Combined Authority's ambitions and objectives.

Water

- 1 To lead on the development of a scrutinised, integrated, evidence-based flood risk and water management investment programme for the Combined Authority area, working with the GLLEP Water Management Board and co-ordinating and aligning the equivalent flood risk and water management strategies and programmes for Lincolnshire North Lincolnshire and North East Lincolnshire building on the existing joint Lincolnshire Flood Risk and Drainage Management Strategy, its Common Works Programme, and the area's Water Management Plan.
- 2 To receive relevant specific devolved powers and resources from HM Government and:
 - a) To propose evidence-based reprioritisation of capital water management investment in the Combined Authority area, to better utilise current levels of national funding, maximise local benefit and attract increased investment, whilst maintaining and where possible enhancing national and local commitments to protect people, property and land up to 2021.
 - b) To identify, propose and develop opportunities to take on more local responsibility for delivering projects in the investment programme, especially where this would generate efficiencies and generate private and commercial contributions.
 - c) To ensure that delivery of local and national programmes within the Combined Authority area are effectively integrated and mutually supportive.
 - d) To implement local scheme prioritisation to develop appropriate approaches to sustain lower consequence systems and schemes, which currently are liable to reduced funding when competing in a national context against higher consequence systems.
 - e) To further develop local prioritised programmes of water management, forming the basis of a long-term future capital investment programme delivering against local priorities and driving growth.
- 3 To collaborate with the Constituent Councils, Internal Drainage Boards (IDB), HM Government and national and local stakeholders to seek to extend the IDB boundaries to the extent permitted by the Land Drainage Act, to maximise IDB coverage across Greater Lincolnshire and to seek authorisation for IDBs to extend their levy raising powers across the whole of those areas.

- 4 To explore and lead actions in conjunction with HM Government to attract business investment in water efficiency and water management.
- 5 To contribute to the outcomes from the Water Resources Study commissioned by the Greater Lincolnshire LEP and the objectives set out in the resulting Greater Lincolnshire LEP's Water Management Plan, developing and exploring new powers with which to do so.
- 6 Within the confines of the existing National Planning Policy Framework, to take into account the high standards of water management that exist in Greater Lincolnshire and the potential to promote water management methods that mitigate this risk together with a more consistent and co-ordinated approach to ensuring development that is appropriately and sustainably designed and delivered (both residential and business focussed) to drive growth and prosperity.

Public Sector Transformation

Public Protection

- 1 To work with HM Government to ensure HM Government understands the needs of local offenders so as to improve commissioning of services for local Lincolnshire offenders in community and in prison informed by Greater Lincolnshire's aim to create a whole system approach to criminal justice, which includes out of court disposals, restorative justice, community and custodial rehabilitation, with a truly effective re-integration policy to tackle social exclusion by supporting and encouraging people into work and productive lives.
- 2 To pursue ongoing engagement with relevant agencies (particularly the National Offender Management Service) facilitated by HM Government to better understand Greater Lincolnshire's position and aims with regard to prison estate and related services and identify opportunities for collaboration, whilst making sure that prison provision for Greater Lincolnshire offenders is in line with current national prison reform plans.

- 5 To receive support from HM Government and work with HM Government to develop a Memorandum of Understanding involving relevant local parties to support the process for collaborative working and set out the areas for further detailed work to ensure that the Combined Authority can take on a greater role in the commissioning of offender management services, alongside the National Offender Management Service, including local prison governors, to allow more local flexibility, innovation and better coordination with other local services including healthcare and accommodation.
- 6 To work with HM Government to explore options for greater local input into the provision of court services in the Combined Authority area to ensure access to justice is maintained across the area.

Finance and Funding

- 1 To create a Single Investment Fund (SIF) that draws together local and agreed national funding streams to deliver an ambitious investment programme across the Combined Authority area to unlock its economic potential.
- 2 To prioritise investment based on economic impact.
- 3 The SIF shall include an additional £15m per annum of funding for 30 years (75% capital and 25% revenue), which will form part of the Greater Lincolnshire single pot. The fund will be subject to a jointly agreed 5-yearly gateway assessment process to confirm the investment has contributed to economic growth.
- 4 To work with HM Government to agree specific funding flexibilities with a joint ambition to give to the Combined Authority a single pot to invest in its economic growth. This pot will comprise a flexible, multi-year settlement providing the freedom to deliver its growth priorities, including the ability to re-direct funding to reflect changing priorities. This local freedom will be over a range of budgets to be determined by the Combined Authority and HM Government. The Combined Authority will have the flexibility to secure substantial private and public sector leverage. The Combined Authority will also be able to use capital receipts from asset sales as revenue funding for public service transformational initiatives. HM Government expects to disburse this agreed settlement to the Combined Authority annually in advance.
- 4A To adopt an assurance framework which establishes the responsibilities, processes and principles that will underpin the delivery of the SIF/single pot. The assurance framework shall ensure that schemes that offer maximum benefits and value for money are prioritised for investment. The selected schemes will be assessed to ensure they deliver value for money (where the economic benefits of the scheme exceed the costs of investment and maintenance) contribute to the Greater Lincolnshire Devolution Agreement, Local Plan, Strategic Economic Plan and GLLEP objectives and can be delivered on time and to budget. Investment decisions should be taken with formal GLLEP involvement.
- 5 To work with HM Government to test whether it will be possible to grant to the Combined Authority Intermediate Body Status for ERDF, ESF and the EU Growth Programme part of EAFRD funding enabling greater influence and decision making in respect of the European Structural Investment Funds 2014-2020 (European Regional Development Fund (ERDF), European Social Funds (ESF) and the EU Growth Programme element of the European Agricultural Fund for Rural Development (EAFRD)). This will allow the area to integrate and align investments with other aspects of the devolution deal and local economic priorities, to improve performance and maximise economic impact.
- 6 If so, to work with HM Government to agree a timescale to put this in place and develop an agreement between each Managing Authority and the Intermediate

Body that will contain details of delegated responsibilities and accountabilities, performance management, resources, their funding and payment arrangements and other relevant details.

- 7 To bid for future allocations of national funding.

- 10 To continue to set out proposals to HM Government for how local resources and funding can be pooled across Greater Lincolnshire.
- 11 To agree overall borrowing limits and capitalisation limits with HM Government and enter into formal agreements to engage in forecasting.
