

# Lincolnshire County Council Carbon Emissions 2016/17

**£9.4 million**  
saved since  
2012

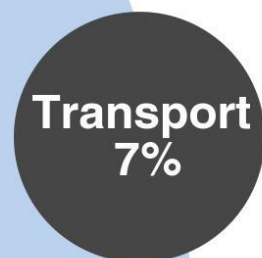

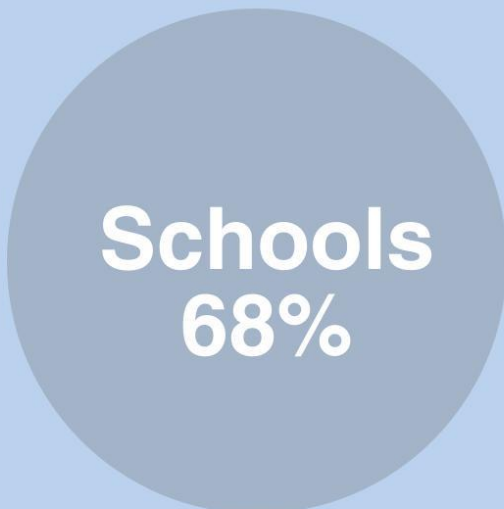

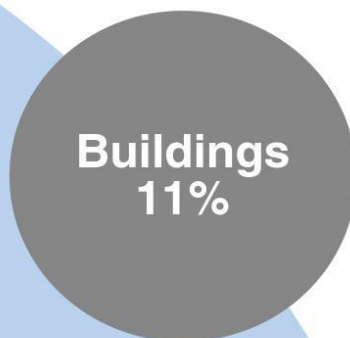

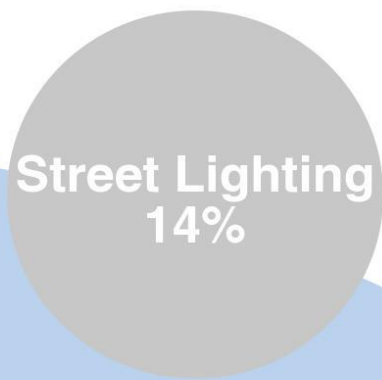

We've saved **45,000** tonnes of carbon.  
The same weight as **22,500** polar bears.  
That's equal to the weight of all the wild  
polar bears alive today

## Our emission by energy type

## Where our emissions come from
