Report to:	Mid Lincolnshire Local Access Forum
Date:	23 January 2018
Subject:	Progress of Public Path Orders

Summary:

A report on the progress of Public Path Orders

Recommendation(s):

That the report is noted and formal written advice given where required

1. Background

The County Council has a power to divert, extinguish or create public rights of way either of its own volition or following an application to do so from the public. The Council may also enter into agreements with landowners regarding the dedication of public rights.

2. Summary of ongoing cases

The County Council is currently working on a number of cases most notably as follows:

- A package of eight diversions to realign routes in the Coastal Country Park area including the potential dedication of a bridleway over a current footpath. The Orders were made 21.07.17, with an objection received to one. Five Orders are awaiting confirmation and three Orders need further work.
- A proposal to dedicate Public Bridleway No. 1109 in Somerby (near Bigby) between Cadney Public Bridleway No. 282 (North Lincolnshire) and maintainable highway at Somerby Low Farm.
- A proposal to extinguish and divert parts of Public Footpath 55 in Skidbrooke with Saltfleet Haven and Saltfleetby St Clement parishes, and to divert part of Public Bridleway 1059 in Saltfleetby St Clement.

- A proposal to divert part of Helpringham Public Footpath 7.
- Extinguishment and creation orders in Market Deeping and Deeping St James parishes seeking to provide an improved route for a well-used public footpath in a developed area were made, with a consultation period running to 02.06.2017. An objection has been received. The proposal was submitted to the Planning Inspectorate to determine on 14.08.2017. A Start Date is awaited.
- A proposal to extinguish, dedicate and create various PROW in Claypole and Stubton parishes, which is currently being assessed to determine the legislation to be used.
- A proposal to divert part of Sutton on Sea Public Footpath 323.

These public path orders have been undertaken as they fall within one of three of the following strategic areas:

- Applications from members of the public where public benefit in the proposal can be demonstrated in line with the Council's Rights of Way Improvement Plan.
- Cases that form part of wider green infrastructure schemes (Coastal Country Park, Witham Valley Country Park etc.)
- Cases forming part of wider Council strategies (Road / Rail Partnerships, Environmental strategies)

The County Council is developing a provisional Public Path Order Policy, which will eventually determine the order in which proposals are processed. This will need to be ratified before it can be implemented, and is subject to any changes necessary once regulations in respect of the Deregulation Act 2015 are issued.
