Appendix B

Explanatory Note on the Temporary Suspension of Traffic Order Regulations Reviews

In November 2015 the Portfolio Holder agreed to a temporary suspension of Traffic Regulation Orders (TROs) progression.

Work on TROs is currently only initiated in the following circumstances:

- a. TROs that were in progress at the start of December 2015.
- b. TROs required as a result of collision investigation by Lincolnshire Road Safety Partnership.
- c. TROs required to facilitate and progress new developments

APPENDIX C
