

**EXECUTIVE COUNCILLOR DECISION:
SHARED LIVES SERVICES RE-PROCUREMENT**

13-17 APRIL 2018

Comments of the Adults and Community Wellbeing Scrutiny Committee

On 11 April 2018, the Adults and Community Wellbeing Scrutiny Committee agreed to support the three recommendations to the Executive Councillor for Adult Care, Health and Children's Services on the Shared Lives Services Re-procurement.

The Committee would like to highlight the following points:

- The key parts of the process for any provider are recruiting people to provide the service; and ensuring referrals are made to the most appropriate placements.
- The benefits of expanding the service are acknowledged.
- The contract arrangements will be 'future proofed' so that if a provider increases the contract value, any challenges can be avoided.
- The contractor should be aware of the rurality issues in Lincolnshire.
