

**Open Report on behalf of Andy Gutherson,
Interim Executive Director of Place**

Report to:	Environment and Economy Scrutiny Committee
Date:	26 February 2019
Subject:	Carbon Management Plan 2018 to 2023

Summary:

This item invites the Environment and Economy Scrutiny Committee to consider a report regarding the Carbon Management Plan 2018 to 2023. This report is due to be considered by the Executive on 02 April 2019. The views of the Scrutiny Committee will be reported to the Executive as part of the consideration of this item.

Actions Required:

- (1) To consider the attached report and to determine whether the Committee supports the recommendations to Executive to formally adopt the CMP 2018-2023 and its target of a 20% reduction in emissions from a 2016/17 baseline of 28,679 tonnes CO₂ by 2023.
- (2) To agree any additional comments to be passed to the Executive in relation to this item.

1. Background

The Carbon Management Plan details a programme of actions working towards this target and further actions to continue embedding carbon management in the policies and practices of the County Council.

The full Executive report is attached at Appendix 1 to this report.

2. Conclusion

Following consideration of the report, the Environment and Economy Scrutiny Committee is requested to consider whether it supports the recommendations in the report and whether it wishes to make any additional comments to the Executive.

3. Appendices

These are listed below and attached at the back of the report	
Appendix 1	I017513 – Carbon Management Plan 2018-2023

4. Background Papers

No background papers within Section 100D of the Local Government Act 1972 were used in the preparation of this report.
