

Agenda Item 4

HEALTH SCRUTINY COMMITTEE FOR LINCOLNSHIRE 20 MARCH 2019

SUPPLEMENTARY CHAIRMAN'S ANNOUNCEMENTS

1. *Healthy Conversation 2019*

As stated on page 72 of the report pack, the Appendix circulated with the report on item 10 (Healthy Conversation 2019) represents the information published on 5 March. The NHS in Lincolnshire has stated that this information will be developed as *Healthy Conversation 2019* progresses. So far I am aware of the following amendment: -

Women's and Children Services

There has been an amendment to the Women's and Children's Services information (see page 108 of agenda pack), with the amended paragraph in bold type: -

"At Pilgrim Hospital

- to continue with a consultant led obstetric service with the addition of a co-located midwife-led unit
- **The Boston special care baby unit currently cares for babies born from 34 weeks, this is the interim position. Prior to August 2018, it cared for babies from 30 weeks. In the preferred emerging option, Boston special baby care unit will care for babies from 32 weeks.**
- to have a short stay paediatric assessment ward for children needing up to 23 hours of care
- to have low acuity paediatric in-patient beds overnight
- to have paediatric day case surgery."

Engagement Events

No further dates have been confirmed for engagement events on the *Healthy Conversation 2019* website (see pages 73-74 of the agenda pack). This means three events, in **Boston**, **Louth** and **Skegness**, have taken place and one is taking place today, in **Grantham**.

The dates of the events planned for **Lincoln**, **Gainsborough**, **Spalding**, **Sleaford** and **Stamford** have not yet been announced.

Video Library

There have been no further additions to the video library.

Grantham A&E - Urgent Treatment Centre Proposal

All members of the Committee have received on email a copy of a leaflet being circulated in Grantham by campaigners, which lists services which would be provided in an urgent treatment centre and those provided at Grantham A&E.

I have forwarded the leaflet to the Senior Responsible Officer for the Lincolnshire STP. The Committee will be able to explore the proposals for Grantham A&E / Urgent Treatment Centre as part of the *Healthy Conversation 2019* engagement exercise. The Committee will be asked to look at priorities for consideration as part of item 10.
