

APPENDIX B

Principles of Representation – Extract from SACRE's Constitution and Terms of Reference

Christian Denominations and Other Religions

The following principles of representation shall be applied to the following groups:

Christian denominations and other religions

1) This group should reflect the variety and numerical representation of different faith groups in the LA.

Representatives should have the support of their faith community in Lincolnshire.

2) The representative should, as far as possible, be nominated by the appropriate local faith group. In circumstances where this is not possible, representatives should be nominated by the appropriate national organisations, district, town or city committees, or by a senior member of a local faith community.

- In some circumstances it may be appropriate to consult with more than one committee in order to receive a nomination (e.g. where there are no countywide committees, but there is more than one local committee with only one SACRE member for that faith group).

3) In circumstances where faith groups have countywide education committees, they should be the nominating group for SACRE members.
