**Alternatives Considered:**

**Reasons for Recommendation:**

## **1. Background**

The Council's Constitution provides for appointment to joint committees of more than one local authority and those bodies the membership of which is politically balanced, to be made by the County Council, and such appointments were made on 17 May 2018 for the Council term.

Under Part 3 of the Council's Constitution the Executive has responsibility to make appointments to all other outside bodies.

This report seeks consideration by the Executive of the appointments set out in Appendix A and either approval of the appointments set out in Appendix A or approval of the amendments the Executive would wish to make to the Appendix.

The report also provides information for noting as to the appointments made by the Leader of the Council and Executive Councillors under delegated authority (see Appendix B and Appendix C). The two Appendices B and C show the following changes made since these were last provided to the Executive in June 2018

#### Appointments delegated to the Leader of the County Council (Appendix B)

No changes have been made since June 2018.

There are some vacancies as highlighted in bold in the list at Appendix B.

#### Appointments delegated to Executive Councillors (Appendix C)

The Executive Councillor for Adult Care, Health and Children's Services has made one amendment since June 2018. Councillor R H Trollope-Bellew has replaced Councillor R Wootten as a Partner Governor on Peterborough & Stamford Hospitals NHS Foundations Trust.

There are some vacancies as highlighted in bold in the list at Appendix C.

### **Legal Issues:**

#### Equality Act 2010

Under section 149 of the Equality Act 2010, the Council must, in the exercise of its functions, have due regard to the need to:

- \* Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act
- \* Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it
- \* Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The relevant protected characteristics are age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; and sexual orientation

Having due regard to the need to advance equality of opportunity involves having due regard, in particular, to the need to:

- \* Remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic
- \* Take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it

\* Encourage persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low

The steps involved in meeting the needs of disabled persons that are different from the needs of persons who are not disabled include, in particular, steps to take account of disabled persons' disabilities

Having due regard to the need to foster good relations between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to tackle prejudice, and promote understanding

Compliance with the duties in section 149 may involve treating some persons more favourably than others

The duty cannot be delegated and must be discharged by the decision-maker. To discharge the statutory duty the decision-maker must analyse all the relevant material with the specific statutory obligations in mind. If a risk of adverse impact is identified consideration must be given to measures to avoid that impact as part of the decision making process.

There are not considered to be any impacts arising out of the contents of this Report

#### Joint Strategic Needs Analysis (JSNA) and the Joint Health and Wellbeing Strategy (JHWS)

The Council must have regard to the Joint Strategic Needs Assessment (JSNA) and the Joint Health & Well Being Strategy (JHWS) in coming to a decision

There are not considered to be any direct implications arising out of the contents of this Report.
--

#### Crime and Disorder

Under section 17 of the Crime and Disorder Act 1998, the Council must exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area (including anti-social and other behaviour adversely affecting the local environment), the misuse of drugs, alcohol and other substances in its area and re-offending in its area

There are not considered to be any direct implications arising out of the contents of this Report.

## **2. Conclusion**

The report seeks approval for the appointments to outside bodies which are the responsibility of the full Executive by either approving or amending the list at Appendix A. The Report also invites the Executive to note the appointment change made by the Executive Councillor for Adult Care, Health and Children's Services since June 2018.

The appointment to all organisations listed in Appendices A, B and C will assist Councillors in participating strategically and in the wider community. It will also provide Councillors with additional knowledge and expertise which can be shared with other Councillors.
