

**LINCOLNSHIRE COUNTY COUNCIL**

**MIXED DRY RECYCLING CONTRACT**

NOTICE IS HEREBY GIVEN that, in accordance with Rule 17 (Special Urgency) of the Council's Access to Information Procedure Rules in the Council's Constitution, an exempt report on the mixed Dry Recycling Contract, which has not been included on the Forward Plan, will be considered by the Executive Councillor for Commercial and Environmental Management on Friday, 14 June 2019.

The reason for urgency in this instance is that the Council's existing contractor Mid-UK Recycling Limited has gone into administration. Mixed dry recyclates are not currently being collected from the Council's Waste Transfer Stations which as a result are either at or will by the end of Friday, 14 June 2019 be at capacity and unable to take further deliveries with a corresponding impact on collections. This does not allow sufficient time for compliance with Rule 16 (General Exception) of the Access to Information Procedure Rules

This notice is published in accordance with Rule 17 of the above mentioned Rules.
