

Open Report on behalf of Derek Ward, Director of Public Health

Report to:	Adults and Community Wellbeing Scrutiny Committee
Date:	17 January 2024
Subject:	Director of Public Health Annual Report 2023 - Adding Life to Years

Summary:

Directors of Public Health in England have a statutory duty to produce an independent report on the state of health of the people they serve on an annual basis. Local Authorities have a statutory duty to publish the report and the report should be as accessible as possible to the wider public.

As part of the strategic partnership with the Centre for Ageing Better and the building on the insight gained from Lincolnshire Ageing Better Annual Conference, this year the Director of Public Health's report has a focus on Ageing Better in Lincolnshire.

Actions Required:

That the Committee note the contents of the Annual Director of Public Health Report.

1. Background

This year's report focuses on the importance of addressing the needs of Lincolnshire's ageing population which is exhibited by evaluating the current situation for older residents within Lincolnshire, as well as considering how we address some of the key determinants that could positively impact on the health and social issues that affect our ageing population.

By using the World Health Organisation (WHO) Age Friendly Communities Framework as a guide, the report focuses on some of the key determinants of healthy ageing and what can be done to support and improve the well-being of our older residents; particularly those living in rural and coastal areas. The DPH report describes the World Health Organisation (WHO) framework through the eight Age-Friendly domains within each chapter.

An analysis of local data and published evidence focuses on inequality and what this means for the residents of Lincolnshire through each of the following domains:

- Transportation
- Housing
- Social participation
- Respect and social inclusion
- Civic participation
- Communication and information
- Community support and health services
- Outdoor spaces and buildings

2. Conclusion

The Director of Public Health has a statutory duty to produce an annual report on the health of people in Lincolnshire. The Executive Committee is therefore asked to note the contents.
