

Agenda Item 10

Report to:	Lincolnshire Standing Advisory Council on Religious Education
Date:	28 February 2024
Subject:	Diocesan Update

Summary:

This report provides an update on the activity of the Diocesan RE Advisor since the last meeting of the Standing Advisory Council on Religious Education.

Recommendation(s):

That SACRE note the report.

1. Background

The Diocesan RE Adviser continues to support infant, primary, secondary and school schools across the region to deliver effective RE. This includes carrying out audits of the impact of the RE curriculum, delivering ITE and CPD training and carrying out action research alongside teacher researchers. During this time, she has also completed work on the Worldviews Project, which is due to be launched in early May, as well as continuing to work on the Empowering Voices project. Alongside this, she continues to work with the Racial Justice team at the Church of England Education Office to deliver resources on Christianity as a living, global faith. One key area of growth for the Diocesan RE Adviser is working with multi-academy trusts within and beyond Lincolnshire on RE curriculum development. She also carries out SIAMS inspections of church schools beyond the region, which includes the inspection of RE in these settings.

2. Conclusion

Members of SACRE are asked to note the update.
