## 2.4 Shared Service Risk Register

Over the last 12 months as part of the collaboration of Shared Service Partners, a Risk Register has been produced. This considers the shared risks faced by all in the delivery of the Local Government Pension Scheme administration.

The Risk Register was reviewed at the Shared Service meeting in November 2023 and it was highlighted that Risk 2 will need a further review once the Shared Service Refresh has been completed.

Appendix B – Shared Service Risk Register

## 2.5 Policy Changes

The policy changes for the period 1 October 2023 to 31 December 2023 are –

### Shared Service Refresh

- A meeting to discuss the Shared Service Refresh took place in London in September 23 between all the LG Shared Service Partners. The document has

now been re-drafted following the meeting and is with Bradford Legal Services for approval.

## 2.6 Pensions Dashboard

Pensions Dashboard regulations enable all people who have a pension in the UK, 52 million, to see their pension provision via an online digital portal. There are a number of key aims for the Pensions Dashboard:

- to change the way people engage with and prepare for retirement by enabling individuals to see all their pensions information in one place online, including their state pension
- enable savers to better plan for their future
- increase competition in the pensions market therefore driving down costs e.g., highlighting expensive older funds
- making dashboard free to use enabling universal coverage

Since March 23, Department Work & Pensions (DWP) and Pensions Dashboard Programme (PDP) have been reviewing the Government's own delivery program required to launch Pensions Dashboard nationally. Both industry and public bodies have been directed to wait for the outcome of this re-set. This work has now been completed and DWP, The Pensions Regulator (TPR) and the FCA are engaging on a private and confidential basis on the way forward. The announcement regarding new connection dates will not formally be made by the Minister until this Spring.

The LGPS have written to DWP to raise concerns at the changes in operation for Additional Voluntary Contributions (AVC's). The changes transfer the data quality responsibility of AVC's from providers to the LGPS and the LGPS becomes responsible for the AVC's digital accessibility to Pensions Dashboard. The original legislation required the AVC provider to ensure compliance with Pensions Dashboard requirements.

## 3.0 Regulatory Update

### a) Lifetime Allowance

HM Treasury announced in November 23 that it will legislate in the Finance Bill 2023 to fully abolish the lifetime allowance from 6 April 2024. HM Treasury announced in November 23 that it will legislate in the Finance Bill 2023 to fully abolish the lifetime allowance from 6 April 2024. HMRC have confirmed that the Finance Bill 2023-24, which contains legislation to complete the abolition of the lifetime allowance, was passed through the House of Lords on Wednesday 21 February 2024 and will shortly receive Royal Assent.

HMRC have confirmed that they will publish another lifetime newsletter with further information and guidance in the next 2 weeks from 23 February 2024. From 6 April 2024 the LTA will be replaced by three new allowances –

1. Tax-free cash from a pension fund will be limited by the Lump Sum Allowance (LSA) which is set at £268,275 (25% of the LTA) or 25% of a members protected LTA.
2. A Lump Sum and Death Benefit Allowance (LSDBA) of £1,073,100 (the same as the current LTA) or the member's protected LTA will test both tax-free cash sums and pension benefit lump sums.
3. An Overseas Transfer Allowance (OTA) of £1,073,100 will be introduced for transfers to qualifying recognised overseas pension scheme (QROPS).

Full guidance has not yet been received and the Local Government Association (LGA) have confirmed that they are working with Aon to produce guidance for administering authorities on the changes. This will include a template declaration form.

WYPF are reviewing what changes need to be made internally and are awaiting the full guidance to be issued. As this will only affect a small number of members WYPF are looking at each affected member on a case-by-case basis.
