External Audit: Progress Report

Lincolnshire County Council

June 2014

Lincolnshire County Council

External Audit: Progress report – June 2014

Background

The external auditors of the Council are currently appointed by the Audit Commission. KPMG were appointed as the external auditors to Lincolnshire County Council from 1 September 2012 under a five year contract covering the financial years from 2012/13 to 2016/17. There is an option for this to be extended by three years.

Following the Local Audit and Accountability Act 2014 receiving Royal Assent, the Audit Commission is expected to close on 31 March 2015. In its place there will be a new framework for local public audit, due to start after the Commission's current contracts with audit suppliers end in 2016/17, or in 2019/20 if they are extended. A transitional body, which is being set up by the Local Government Association, will oversee the contracts in the intervening period.

The audit fee for the Council is set annually by the Audit Commission. Any changes to the audit fee as a result of any additional or reduced work needs to be agreed by the Council and the Audit Commission.

Statutory responsibilities

Our statutory responsibilities and powers are set out in the Audit Commission Act 1998 and the Audit Commission's Code of Audit Practice. The Code of Audit Practice summarises our responsibilities into two objectives, requiring us to review and report on your:

- financial statements (including the Annual Governance Statement): providing an opinion on your accounts; and
- use of resources: concluding on the arrangements in place for securing economy, efficiency and effectiveness in your use of resources (the value for money conclusion).

The Audit Commission's Statement of Responsibilities of Auditors and Audited Bodies sets out the respective responsibilities of the auditor and the Authority.

Local elector rights

The Audit Commission Act 1998 also gives local electors certain rights. These are:

- the right to inspect the accounts;
- the right to ask the auditor questions about the accounts; and
- the right to object to the accounts.

Where a local elector objects to the accounts, the external auditor is required to consider and conclude on the issues received prior to issuing the audit certificate.

Grants claims

The Audit Commission requires the external auditor to certify specific grant claims and returns for central Government departments. The number of claims and returns required to be certified has decreased over the years and the Audit Commission has now confirmed that it will not be issuing a Certification Instruction for the 2013/14 Teachers' Pensions return which we have been required to certify in previous years. We will not therefore be carrying out any Audit Commission directed work on grant claims and returns this year.

Whole of Government Accounts

The external auditor is required to issue a conclusion on whether the Whole of Government Accounts pack that the Council submits to the Treasury are consistent with the audited financial statements. We are also required to audit balances with other Government bodies as part of this work.

Pension Fund

The Audit Commission requires the external auditor to issue an opinion on the Pension Fund Accounts and the Pension Fund Annual Report.

Lincolnshire County Council

External Audit: Progress report – June 2014

<p>Summary of work performed by KPMG for 2013/14 financial year to date</p>	<p>We completed our initial planning work in February 2014 to determine our audit plan. This comprised of:</p> <ul style="list-style-type: none"> • Review of Council minutes and other publications; • Discussions with senior officers including the Director and Assistant Director of Resources, and the Head of Audit and Risk Management; • Past audit knowledge of the Council and similar authorities; and • Changes in legislation and accounting requirements. <p>In line with auditing standards, we presented our detailed annual plan to the Audit Committee in March 2014. This highlighted the key risks to our audit at the planning stages, the first two of which are standard risks for all organisations;</p> <ul style="list-style-type: none"> • Management override of controls; • Fraudulent revenue recognition; and • Triennial valuation of the Pension Fund and subsequent in year updates. <p>In April we completed an interim audit visit where we carried out audit testing on a number of controls, including those around journals and bank reconciliations. In connection with our value for money conclusion, we reviewed the Council's in year financial position and the 2014-15 budget and discussed with managers the arrangements for further developing and implementing the Commissioning Council proposals.</p> <p>We have also discussed the 2013/14 financial reporting arrangements and specific accounting issues with managers, and attended the finance CPD event in March 2014 to feedback matters arising from the 2012/13 audit and outline our approach for this year.</p> <p>There is nothing that we need to raise with the Audit Committee in relation to the audit of the accounts from the work we have carried out to date.</p> <p>We have also:</p> <ul style="list-style-type: none"> • carried out a review of the arrangements and documentation used by the Authority for the selection of a provider for its Corporate Support Services, and the use of the OJEU Competitive Dialogue process. We have provided feedback to officers on this piece of work. We have not raised any significant issues. Based on the documentation that we have been provided with, the process has been clearly communicated to all parties and has been followed appropriately – this work was done for our Code responsibilities; and • worked with the Audit Committee to help it ensure it is well placed to carry out its role effectively. We expect to conclude this work shortly after the second workshop with the Committee planned for 23 June 2014 – this is additional to our Code responsibilities.
<p>Summary of work proposed over next quarter</p>	<p>Our work over the next quarter will focus on:</p> <ul style="list-style-type: none"> • Detailed planning and audit of your 2013/14 financial statements including the Annual Governance Statement and Pension Fund; • Review of your arrangements in place for securing economy, efficiency and effectiveness in your use of resources – this will include reviewing your medium term financial plan and in year financial performance, and the arrangements in place for the handover of Corporate Support Services contractor to the new provider; and • Preparing our ISA 260 Report to the Audit Committee to report to you the key findings of our audit.
<p>Audit fee update</p>	<p>The proposed audit fee remains at £143,100 for the Council's audit and £24,350 for the Pension Fund. Following changes in the number of grants the Audit Commission require us to audit, with the Audit Commission no longer responsible for arranging the certification of the Teachers' Pension Return, there will be no Audit Commission grants fee this year.</p>

Lincolnshire County Council

External Audit: Progress report – June 2014

Detailed timetable

Deliverable	Purpose	Timing	Status
Planning			
Fee letter	Communicate indicative fee for the audit year	April 2013	Completed
