What do you deliver to schools – scope of intervention, i.e. substance misuse, ASB etc.?

Are you funded or commissioned to deliver interventions to school?

Do you target specific schools? Do you work with specific year groups? How many young people do you see in each session?

What form does this take, i.e. presentation, training (staff), e-Learning, resources, 1:1 with pupils etc.?

Are these interventions accredited, if so through whom?

Is delivery to schools a core role for your staff or an additional task?

What training do staff receive to deliver interventions?

How many training days do you deliver, how many staff do you have delivering the intervention?

Do you measure outcomes, if so how?

If possible on returning this form can you please attach an organisational structure chart.

Kind regards
