

Appendix I Proposal to expand Spalding Primary School

Point of View	1 Supports Proposal	2 Against Proposal	3 Not For or Against	3 Traffic	1 New School	2 School Site	Other comments/Notes
Local Resident	Y			Y			Suggests a drop off zone on adjoining land with a adjacent gate and path to run alongside the school boundary to alleviate potential problems associated with an increase in traffic
Local Resident		Y					Large schools do not perform as well as smaller schools. School is only satisfactory (OfSTED). Majority of consultation responses were opposed to expansion.
Local Resident		Y		Y		Y	Concerned about impact of building work on quality of life. Concerned that trees will need to be removed. Current reception is undersubscribed. School is losing field and walking to other field will impact on time for PE.
Local Resident			Y				Traffic calming measures are needed
Local Resident			Y				Wants assurances that the building work will not have too much impact on quality of life.
Local Resident			Y	Y	Y	Y	School car park already filled to capacity. School is losing field and walking to other field will impact on time for PE. Concerned about loss of trees and wildlife area. New school better for community and small schools perform better.
