Parent	y			I have a child in the current large reception class and so understand the need. Benefits make sense for the children and for financial reasons. Better facilities can only be a positive
Parish clerk/local resident	y			Has to be done or where will the children go?

Parent	y			Will enable more children to attend a school close to their home and be an opportunity for community to grow
Parent			y	How many classes will there be and where will they be built? Will playground space be lost? What parking provision will be made as it is already congested at drop off and pick up times?
