Report to:	Children and Young People Scrutiny Committee
Date:	13 May 2011
Subject:	Children and Young People Scrutiny Committee Work Programme 2011

Summary:

This item enables the Children and Young People Scrutiny Committee to consider its own work programme for the coming year.

Actions Required:

(1) To comment and agree on the content of the work programme, as set out in Appendix A to this report.

(2) To consider and comment on the items from Children's Services listed on the Forward Plan, as set out in Appendix B to this report, and agree whether any item should be brought to the Committee for pre-decision scrutiny.

1. Background

Members are asked to note the following changes to the work programme since the last meeting on 8 April 2011:

- The report on Future Performance Indicators for Children's Services has been deferred from today's meeting to the meeting on 24 June 2011 as officers are awaiting guidance from the Department for Education (DfE) on what indicators will be in a DfE requirement.
- The reports on Future Arrangements for Youth Services and Sure Start Children's Centres Progress Report, listed for the meeting on 24 June 2011, have been merged into one report called Future Arrangements for Locality Services, which will be a more comprehensive report, and include Youth Services and Children's Centres.
- Reports on the Children with Disabilities Strategy and the Consultation on School Funding have been added to the work programme for the meeting on 9 September 2011.
- A report on the Fit Kids Pilot has been added to the work programme for the meeting on 21 October 2011.

Set out below are the definitions used to describe the types of scrutiny, relating to the items:

Budget Scrutiny - The Committee is scrutinising the previous year's budget, the current year's budget or proposals for the future year's budget.

Pre-Decision Scrutiny - The Committee is scrutinising a proposal, prior to a decision on the proposal by the Executive, the Executive Councillor or a senior officer.

Performance Scrutiny - The Committee is scrutinising periodic performance, issue specific performance or external inspection reports.

Policy Development - The Committee is involved in the development of policy, usually at an early stage, where a range of options are being considered.

Consultation - The Committee is responding to (or making arrangements to respond to) a consultation, either formally or informally. This includes pre-consultation engagement.

Status Report - The Committee is considering a topic for the first time where a specific issue has been raised or members wish to gain a greater understanding.

Update Report - The Committee is scrutinising an item following earlier consideration.

Scrutiny Review Activity - This includes discussion on possible scrutiny review items; finalising the scoping for the review; monitoring or interim reports; approval of the final report; and the response to the report.
