

Open Report on behalf of Executive Director Performance and Governance

Report to:	Children and Young People Scrutiny Committee
Date:	24 June 2011
Subject:	Children and Young People Scrutiny Committee Work Programme 2011

Summary:

This item enables the Children and Young People Scrutiny Committee to consider its own work programme for the coming year.

Actions Required:

- (1) To comment and agree on the content of the work programme, as set out in Appendix A to this report.
- (2) To consider and comment on the items from Children's Services listed on the Forward Plan, as set out in Appendix B to this report, and agree whether any item should be brought to the Committee for pre-decision scrutiny.

1. Background

Members are asked to note the following changes to the work programme since the last meeting on 8 April 2011:

- The report on the Academies motion from Council on 11/02/11 has been deferred from the June meeting to the September meeting so that officers can also respond to the motion made by Cllr Parker at the Annual Council meeting on 20 May 2011. Both motions will be incorporated into one report.
- The report on Elective Home Education has been deferred indefinitely from today's agenda as officers need to do further work in this area.
- The report on the Play Strategy, which was due to be considered at the meeting on 9 September 2011, will now be a briefing note.
- A report on the School Admission Code has been added to the work programme for the meeting on 9 September 2011.

Set out below are the definitions used to describe the types of scrutiny, relating to the items:

Budget Scrutiny - The Committee is scrutinising the previous year's budget, the current year's budget or proposals for the future year's budget.

Pre-Decision Scrutiny - The Committee is scrutinising a proposal, prior to a decision on the proposal by the Executive, the Executive Councillor or a senior officer.

Performance Scrutiny - The Committee is scrutinising periodic performance, issue specific performance or external inspection reports.

Policy Development - The Committee is involved in the development of policy, usually at an early stage, where a range of options are being considered.

Consultation - The Committee is responding to (or making arrangements to respond to) a consultation, either formally or informally. This includes pre-consultation engagement.

Status Report - The Committee is considering a topic for the first time where a specific issue has been raised or members wish to gain a greater understanding.

Update Report - The Committee is scrutinising an item following earlier consideration.

Scrutiny Review Activity - This includes discussion on possible scrutiny review items; finalising the scoping for the review; monitoring or interim reports; approval of the final report; and the response to the report.
