

Open Report on behalf of Executive Director Adults and Children's

Report to:	Children and Young People Scrutiny Committee
Date:	24 June 2011
Subject:	Raising Aspirations for Children in Lincolnshire Scrutiny Review – Third Monitoring Update

Summary:

This report seeks the views of the Children and Young People Scrutiny Committee in assessing which of the recommendations to continue to seek reports on, as many of the original recommendations have changed either due to Government changes or due to the Core Offer.

Actions Required:

To consider the comments made in the attached document in relation to the recommendations that were made in 2009.

1. Background

In 2009 the Children and Young People Scrutiny Committee completed its review of Raising Aspirations for children in Lincolnshire. The first and second monitoring reports have been produced but officers now feel that with the changes in Government policy and changes in resources available to capture and maintain performance reporting following the restructuring, we can no longer service some areas.

2. Conclusion

The Committee is asked to consider whether this area of work has been completed and whether some aspects require more resource to capture the data.
