

A Proposed Definition is:

A further definition to support the interpretation of the Children Act statement which defines services provided to children with disabilities from Lincolnshire County Council CWD social care and occupational therapy team is:

Can we include the health definition / criteria here also please.

A service for profoundly disabled children with complex needs between birth and 18 years old with substantial, permanent and enduring physical disability and/or moderate to severe learning disabilities.

- **The child may be vulnerable because they have ongoing health needs arising from disability, which requires nursing care and supervision**
- **The child may be vulnerable in ordinary day to day situations without supervision because of his/her disability**
- **The child may have a level of physical dependency in terms of his/ her day to day care needs which substantially impact upon the family and other carers**
- **The child may have behavioural or emotional difficulties arising out of his/her disability**
