County Council

Open Report on behalf of David O'Connor, Executive Director Performance and Governance

Report to:	Pay Policy Sub-Committee
Date:	03 February 2014
Subject:	Pay Policy Statement

Summary:

The Localism Act 2011 requires all local authorities to agree pay policy statements annually at a Full Council meeting and then subsequently to publish them.

There are no major changes to the Pay Policy adopted by Full Council for 2013/14 other than the Sub-Committee is requested to note that the policy has been updated to recognise the national 1% pay award in 2013 for grades 1 – 16. Following discussion between Cllr Young (portfolio holder) and the Executive Director for Performance and Governance it was agreed to implement the award 'as is' rather than implement with local variations.

Negotiations are underway around local Terms & Conditions that may impact on pay policy. This may require modification of the Pay Policy Statement, in which case there will be a further report to this sub-Committee and to Council.

Recommendation(s):

To agree the Pay Policy Statement in Appendix A.

1. Background

The requirement for Councils formally to adopt pay Policy Statements was introduced in the Localism Act 2011, followed by Guidance from DCLG. In line with this guidance it is considered good practice for this sub-committee to consider the Statement before it is presented to Full Council for approval. The Statement itself has been prepared in line with the requirements of the legislation and the best practice put forward in the guidance.

2. Conclusion

The Pay Policy Statement sets out the County Council's policy on pay and conditions for senior managers and employees (excluding operational fire fighters)

and schools based employees). This ensures that the Council has a fair and transparent approach to these matters.

3. Legal Comments:

By publishing the Council's Pay Policy annually ensures compliance with the Localism Act 2011.

4. Resource Comments:

This Policy ensures that all senior managers and employees are treated fairly and transparently.

5. Consultation

a) Has Local Member Been Consulted?

n/a

b) Has Executive Councillor Been Consulted?

Yes

c) Scrutiny Comments

The approval of the Pay Policy Statement is a decision for Full Council to make under the legislation and is accordingly not subject to call-in.

d) Policy Proofing Actions Required

n/a

1 INTRODUCTION

This Pay Policy Statement sets out County Council policy on pay and conditions for senior managers and employees (excluding operational Fire Fighters and schools' based employees) for 2014-15.

The Council aims to attract and retain employees to deliver the Council's objectives. In determining pay policy for Chief Officers and all other employees, the Council is committed to ensuring a fair and transparent approach. Within this, it is recognised that different approaches may be required between groups of employees reflecting factors such as difficulties in attracting and retaining key skills. This Pay Policy Statement has been agreed by the Council meeting on 21st February 2014.

KEY PRINCIPLES FOR PAY POLICY

To be fair, reasonable and transparent

To be affordable

To reward employees for their contribution to the Council's achievements

To maintain rates of pay which are both competitive in the market place and reflect the need to retain key skills

EMPLOYEES IN SCOPE OF THE PAY POLICY STATEMENT

This Pay Policy Statement covers all employees (except teachers and uniformed fire fighters except those defined as Senior Managers.) As such, it goes wider than minimum legal requirements of the Localism Act 2011.

THE SENIOR MANAGEMENT PAY STRUCTURE

Senior Managers are defined for this purpose as the Chief Executive; Executive Directors – (referred to as Chief Officers); Assistant Directors, Chief Fire Officer, Deputy Chief Fire Officer and Assistant Chief Fire Officer. The senior management pay structure is attached at Appendix A.

Chief Executive and Executive Directors

Remuneration is determined by the Chief Officers' Pay Policy Sub-Committee and is based on salary comparison against Chief Officers in other Shire Counties in the Eastern and Midlands region, against the market place and taking into account information from the annual NJC Salaries & Numbers Database. The aim is to ensure the Council retains key employees by maintaining rates of around median pay which are both competitive in the market place and reflect the need to retain key skills. The Chief Executive post is paid on a spot salary¹. Executive Director posts are all paid at the same single spot salary point because all roles have collective responsibility for the success of all service areas and for the Council as a whole.

Assistant Directors

Remuneration is determined by the Corporate Management Board and underpinned by the Hay Job Evaluation Scheme. The same five point grade applies to all Assistant Directors. Periodically the pay structure will be reviewed to ensure that salaries offered are competitive in the market place, taking into account the advice set out in the Joint Negotiating Committee² (JNC) for Chief Officers of Local Authorities Conditions of Service.

¹ See Glossary Page 10

² See Glossary Page 10

Fire & Rescue Service Management Team

The pay structure is determined in line with the NJC for Brigade Managers (Gold Book³) with the Deputy Chief Fire Officer and Assistant Chief Fire Officer receiving 80% and 75% respectively of the Chief Fire Officer salary.

In accordance with the 2011 Code of Recommended Practice for Local Authorities on Data Transparency, information on senior salaries is published on the Council's website - [Data on Senior Salaries](#) together with information about the structure of the workforce. Additional legal provisions about reporting payments over £50,000 in a year are in the Accounts & Audit (England) Regulations 2011, also available in the Council's published accounts on our website: [Statement of Accounts 2010/11](#).

OTHER EMPLOYEES' PAY STRUCTURE (including lowest paid employees)

Remuneration for other employees is normally determined by the Council's Job Evaluation (JE) Scheme⁴ which covers all staff on NJC Local Government Services terms and conditions of service. This includes the lowest paid council employees. The Lincolnshire County Council (LCC) Pay spine for staff up to and including Heads of Service is attached at [Appendix B](#).

The Pay and Grading structure used by the Council was implemented by Collective Agreement⁵ in July 2008, backdated to be effective from 1 April 2007 and is anchored to the national NJC pay spine for Local Government Services. The current pay spine is at 2009 rates as no annual pay awards were made during 2010, 2011 and 2012. The JE Scheme, the Greater London Provincial Council Scheme, was selected through a process of consultation with staff and Trade Unions and complies with equal pay requirements.

NON-STANDARD TERMS AND CONDITIONS

Staff transferring into the Council under TUPE arrangements have the right to retain their existing terms and conditions. The largest group includes those staff who transferred from the Connexions Service.

Additionally some specialist posts, mainly in education related services, such as Educational Psychologists and the Youth Service are recruited to specific terms and conditions although they are in scope of the [Local Scheme of Conditions of Service](#)

THE NATIONAL PAY AWARD

Pay levels are adjusted to take account of any cost of living increase negotiated nationally by the JNC for Local Authority Chief Executives⁶; the JNC for Chief Officers of Local Authorities and the NJC for Local Government Services⁷. LCC applied the National 1% pay award in April 2013/14.

³ See Glossary Page 10

⁴ The Job Evaluation scheme ensures that all jobs are graded fairly and equitably between men and women

⁵ A Collective Agreement is a formal agreement signed between the County Council and the recognised Trade Unions

⁶ See Glossary Page 10

⁷ See Glossary Page 10

RECRUITMENT, RETENTION AND MARKET FORCE SUPPLEMENTS

The Council recognises that at times it may be difficult to recruit new employees or retain existing staff in key posts. To ensure the Council attracts and maintains a skilled and experienced workforce, supplements may be paid in addition to the post grade. Further details can be found in the [Recruitment, Retention and Market Force Supplements Policy](#).

RELOCATION EXPENSES AND DISTURBANCE ALLOWANCES

Relocation Expenses and Disturbance Payments are paid to employees to cover additional costs they may incur as a result of a change or disturbance to work base. These are paid in accordance with the [Relocation Expenses and Disturbance Allowances Policy](#).

STARTING PAY

Employees, when appointed to posts within the Council are paid on an incremental scale and will normally be appointed at the minimum point of the pay grade for that post. However, in certain circumstances it may be appropriate to appoint to a higher point within the pay grade. This should be objectively justifiable and have regard to the pay of existing employees within the service area. See [Green Book Employees Pay and Conditions Policy](#).

Where an employee is appointed who does not yet meet the minimum competency requirements for that role, they are appointed in accordance with the [Appointed One Point Below Policy](#).

PERFORMANCE RELATED PAY (PRP) AND “EARN BACK”

The Council does not operate a PRP scheme or “earn back”⁸ system.

PAY PROGRESSION

The Chief Executive, Executive Directors and Fire & Rescue Senior Managers are all appointed to a spot salary so no pay progression applies.

For other employees, eligibility for incremental progression, including any acceleration through the grade with the use of Merit Increments, will be in accordance with the [Green Book Employees Pay and Conditions Policy](#) covering the NJC for Local Government Services Group. An increment may be withheld following an adverse report on an employee’s performance (subject to the Council’s capability / disciplinary procedures being followed). Any increments withheld may subsequently be paid if the employee’s performance becomes satisfactory.

REVIEWING INDIVIDUAL PERFORMANCE

Individual achievement is assessed using the [Council's Appraisal Scheme](#) and all employees will take part in an appraisal process. In most cases this will be the full LCC appraisal process; however, there may be some cases where the process is amended so that it is appropriate to the role of the employee.

⁸ An earn back system relates to withholding a specified portion (for example, up to 20%) of existing pay if performance is unsatisfactory; or releasing that portion if performance is satisfactory

Learning and development needs will be linked to the [County Council's Behaviours Framework](#) which are interchangeable with occupational national standards of competence where appropriate.

RESPONSIBILITY FOR REVIEWING PERFORMANCE

The Chief Executive's individual performance will be assessed by the Leader of the Council together with the appointed cross-party group. For individual Executive Directors, the assessment will be made by the Chief Executive and reported to the cross-party group.

For all other employees, the assessment will be made by the individual's line manager, as appropriate.

ACTING UP ARRANGEMENTS

Employees temporarily acting up into a role which is normally graded on a higher level should be paid at the appropriate level for the duties they are asked to perform. Further details can be found in the Council's [Green Book Employees Pay and Conditions Policy](#) covering the NJC for Local Government Services Group.

HONORARIA

An honorarium payment may be made for exceptional or special work undertaken on a short term basis of not more than 6 months and will be in accordance with the Council's [Green Book Employees Pay and Conditions Policy](#) covering the NJC for Local Government Services Group.

EMPLOYEES ON FIXED TERM/TEMPORARY CONTRACTS

The Council will not treat employees on fixed term or temporary contracts less favourably than employees on a permanent contract. See [Fixed Term and Temporary Contracts Policy and Procedure](#).

ALLOWANCES/EXPENSES

Chief Executive, Executive Directors and Assistant Directors

Allowances will be in accordance with the [Local Scheme of Conditions of Service](#) or jointly agreed schemes in Directorates. Business Travel will be reimbursed in accordance with the [Travel Policy](#). This policy applies to all staff (including Senior Managers) in scope of the Local Scheme of Conditions of Service.

Fire & Rescue Service Senior Managers

Allowances and expenses will be in accordance with the NJC for Brigade Managers Conditions of Service and Service Order 19⁹. See George page: Service Order 19 - Pay and Allowances.

SALARY PROTECTION

Where an employee accepts a post on a lower grade as result of a restructuring or change in the workforce, personal salary protection will apply in accordance with the [Local Scheme of Conditions of Service](#) or Collective Agreement for those in the Fire & Rescue Service. See George Collective Agreement Pay Protection Fire & Rescue Service.

⁹ See Glossary Page 10

SEVERANCE PAYMENTS

For those in the Local Government Pension Scheme, (including Chief Officers) payments relating to redundancy, early retirement and flexible retirement will be paid in accordance with the Council's [Redundancy and Early Retirement Policy](#) or [Flexible Retirement Policy](#).

All employees / recruits (including Chief Officers) in receipt of a redundancy payment will be subject to the Redundancy Payments (Continuity of Employment in Local Government etc.) (Modifications) Order 1999¹⁰.

PAYMENTS FOR RETURNING OFFICERS DURING LOCAL ELECTIONS

Payments for the Chief Executive and Executive Directors who are Returning Officers are made in accordance with their respective JNC Conditions of Service.

Payments for employees at Head of Service and below for Local Election duties are made in accordance with the [Local Scheme of Conditions of Service](#).

PAY POLICY SUB-COMMITTEE

The Pay Policy Sub-Committee undertakes an annual review of Chief Officers' salaries i.e. Chief Executive and Executive Directors. The Sub-Committee comprises of Councillors from the Appointments Committee, representing the political balance of the Council overall in accordance with the terms of the Local Government and Housing Act 1989.

LCC GREEN BOOK¹¹ NEGOTIATING TEAM

The Negotiating Team considers pay issues relating to all employees within the scope of NJC pay awards.

RELATIONSHIP BETWEEN SENIOR MANAGEMENT PAY AND CONDITIONS WITH OTHER OFFICERS (including the lowest paid)

The approaches for determining senior management pay are set out in paragraph 4 above.

The approach for determining other employees' pay, including the lowest paid employees, is set out in paragraph 5 above.

PAY MULTIPLES (or pay dispersion)

Pay multiple is the ratio between the salary of the highest paid employee and the median full time equivalent salary of the organisation. The pay multiple is often referred to as 'pay dispersion'.

Lincolnshire has published this voluntarily in recent years.

From 1 April 2014 the Council will be required to publish the pay multiple under new 'transparency' legislation. For 2014-15 the pay multiple will be confirmed at the meeting of the Pay Policy Sub-Committee on 3 February 2014. For context, the

¹⁰ Under the Employment Rights Act 1996 (ERA), an employee can count service with an 'associated employer' towards the service requirement for a redundancy payment (i.e. two years) and, if appropriate, for calculating that payment.

¹¹ See Glossary Page 10

Hutton Review (2010) identified the pay multiple in Shire Counties as greater than 11.

There is no formal mechanism for direct comparison between pay levels of the wider workforce with Senior Manager pay and there are no Council policies on reaching or maintaining a specific pay multiple.

RE-ENGAGEMENT OF FORMER CHIEF OFFICERS

The policy for appointing or re-engaging any Chief Officer who has previously been made redundant by this authority, or who is in receipt of a local government pension, is that there should be a presumption against re-employment for a period of 6 months following the end of their employment. However, in exceptional circumstances Chief Officers may be re-employed by the Council more quickly provided that it is not within one month and one day of their leaving date.

In approving a re-employment of a Chief Officer, Members will need to be satisfied that:

the employee is not being re-employed in a role or capacity, which is broadly similar to the role from which they were made redundant;

the rate of pay applied to the work undertaken by the re-engaged employee should be that appropriate to the work to be done and not the grading which applied to the employee prior to the end of their current contract;

the employment should be for a fixed term, not exceeding one year, unless there are exceptional circumstances; and the arrangement must provide financial / operational advantage to the Council.

The policy of the Lincolnshire Pension fund is not to abate pensions should any officer retire and then return to work for the Council.

THE USE OF CONTRACTS FOR SERVICES AND APPOINTMENT OF CONSULTANTS

The Inland Revenue requires the authority to determine whether an arrangement with a consultant or contractor constitutes a contract of employment or can be deemed to be on a self-employed basis.

The determination will need to be made for every agreement that is proposed as the decision on status relates to the contract, not the individual. This must be undertaken before any engagement is agreed or any contract signed.

Where it is determined that an engagement constitutes a contract of employment, normal Council terms and conditions will apply and the work must be paid for at the evaluated rate for the job.

It may be appropriate to re-engage a former employee as a consultant with a contract for service in certain circumstances. This may be appropriate:

For discrete pieces of work where the former employee has the appropriate skill and experience which is not available elsewhere in the Council.

Where it is more cost effective

Where it is difficult to recruit due to market conditions

Where work of an urgent nature arises at short notice.

Such arrangements should be time limited, and be subject to appropriate written agreements covering the nature, duration, quality standards, and the basis on which the agreement will be terminated. The written agreement must be signed before the arrangement commences.

Initial consideration for providing cover for urgent work should be through the use of temporary employment contracts advertised in the usual manner or through acting up or secondment arrangements made available to existing staff. This should particularly be true where the work relates to the normal business of the service area, as opposed to defined projects or one off tasks.

It is our duty under the Pensions Act 2008 to comply with auto-enrolment Regulations and an assessment will be made on whether the contractor is an employee rather than a contractor and therefore pensionable under the Act.

The assessment process will not rely on IR35 but will take into account work practices which may differ from what is on the contract as well as whether they are the named individual on a contract and cannot be substituted for another person if required, they are line managed within LCC given tools to do their job.

PERSONAL SERVICE CONTRACTS

In the contracting sector, the generally accepted definition of a personal service company is a limited company that typically has a sole director, the contractor, who owns most or all of the shares.

Many contractors choose to work for clients using their own [limited companies](#) for many reasons, Limited companies can be a tax efficient way for contractors to work, as they often split their income between [salary and dividends](#), which means they do not pay, employers' or employees' Class 1 National Insurance Contributions on a large part of their overall income

Personal Service contracts prevent the risk of there being a contract of service, or an employment relationship with the Council which eliminates any income tax liability on the Council.

By using a limited liability company, contractors are also insulated to a certain extent from business risk.

Although the Council does not currently have any such contracts in place for normal employment it is possible that it will do so in the future as they are an acceptable way of reducing the legal liabilities that come from hiring employees.

Glossary of Terms

Spot Salary:

Spot salaries within Lincolnshire County Council are fixed to specifically defined spinal column point. There is no progression up to or beyond the rate for each position. Spot salaries are one of the least discriminatory of pay methods because everyone is paid the rate for the job from day one and the pay structure cannot be distorted by differential progression.

JNC for Local Authority Chief Officers

The primary role of the Joint Negotiating Committee is a national body to reach agreement on a national framework on all national pay and service conditions and items related to any dispute for all chief officers

NJC for Brigade Managers (Gold Book)

The primary role of the National Joint Committee for Brigade Managers of Fire and Rescue Services (the NJC) is to reach agreement on a national framework of pay and conditions for Brigade Managers for local application throughout the Fire and Rescue Service in the UK.

JNC for Local Authority Chief Executives

The Joint Negotiating Committee (JNC) for Chief Executives of Local Authorities is the national negotiating body for the pay and conditions of service of chief executives in England and Wales. The Authorities' Side consists of elected members nominated by the Local Government Association. The Staff Side consists of chief executives nominated by the Association of Local Authority Chief Executives (ALACE). ALACE is registered as an independent trade union.

NJC for Local Government Services

The pay and terms of conditions of employment for local government services' workers is determined by the National Joint Council for Local Government Services. The NJC for Local Government Services has 70 members: 12 on the employers' side and 58 on the trade union side.

In 1997, the NJC for Local Government Services agreed a national framework with potential for local modification to suit local service requirements. Known as The Single Status Agreement, these pay and conditions of service agreements are published in **The Green Book: Local Government Scheme of Conditions of Service**.

Greater London Provincial Council (GLPC) Job Evaluation Scheme

Lincolnshire County Council use the scheme developed to support local authorities in carrying out their obligations under the national agreement on single status. The job evaluation scheme was the subject of consultation with the Equal Opportunities Commission. The scheme is jointly agreed by the employers and unions in London local government. It was developed by a working party of experienced evaluators and tested jointly at regional and local authority levels.

The scheme is accompanied by a code of good practice and a framework procedure to inform local arrangements.
