OVERVIEW AND SCRUTINY MANAGEMENT BOARD 29 NOVEMBER 2018

PRESENT: COUNCILLOR R B PARKER (CHAIRMAN)

Councillors R Wootten (Vice-Chairman), Mrs J Brockway, M Brookes, Mrs K Cook, B M Dobson, R L Foulkes, C S Macey, C E H Marfleet, N H Pepper and E W Strengiel.

Added Members

Church Representatives: Mr S C Rudman.

Parent Governor Representatives: Miss A E I Sayer.

Councillors: R D Butroid (Executive Support Councillor for Community Safety and People Management), M J Hill OBE (Leader of the Council and Executive Councillor for Resources and Communication) and M A Whittington (Executive Support Councillor for Resources and Communication) were also in attendance.

Officers in attendance:-

Mark Bennett (Partnership Director (Serco)), Simon Evans (Health Scrutiny Officer), David Forbes (County Finance Officer), Cheryl Hall (Democratic Services Officer), Arnd Hobohm (Contract Support Services Manager), Tracy Johnson (Senior Scrutiny Officer), Sophie Reeve (Chief Commercial Officer), Jasmine Sodhi (Performance and Equalities Manager), Karen Tonge (Treasury Manager), Nigel West (Head of Democratic Services and Statutory Scrutiny Officer) and John Wickens (Chief Digital Officer).

61 APOLOGIES FOR ABSENCE/REPLACEMENT MEMBERS

Apologies for absence were received from Mrs Patricia Barnett and Reverend Philip Johnson.

It was also noted that Councillor R D Butroid (Executive Support Councillor for Community Safety and People Management) was attending the meeting on behalf of Councillor B Young (Executive Councillor for Community Safety and People Management).

62 DECLARATIONS OF INTERESTS

Councillor Mrs K Cook wished it be noted that in relation to *Agenda Item 9 – 2018/19 Council Business Plan Quarter 2* she was a North Kesteven District Councillor and a Governor for Lincolnshire Partnership NHS Foundation Trust.

63 MINUTES OF THE MEETING HELD ON THURSDAY 25TH OCTOBER
2018

RESOLVED

a That the minutes of the meeting held on 25 October 2018 be approved as
correct record and signed by the Chairman.

64 ANNOUNCEMENTS BY CHAIRMAN, EXECUTIVE COUNCILLOR FOR
RESOURCES AND COMMUNICATIONS AND CHIEF OFFICERS

The Chairman advised that he had attended the meeting of the Executive on 6 November 2018, along with the Councillor R Foulkes (Chairman of the Children and Young People Scrutiny Committee), who had addressed the Executive regarding the Committee's comments on the report *Building Communities of Specialist Provision for Children and Young People with Special Educational Needs and Disabilities*.

The Executive had also considered a report on the *Joint Municipal Waste Management Strategy*, and on behalf of the Chairman of the Environment and Economy Scrutiny Committee, the Chairman of the Board had advised the Executive that the Committee had endorsed the draft Strategy.

The Chairman of the Board advised that the Executive valued the input from the chairmen of the scrutiny committees at its meetings, and wherever possible it would be beneficial if the relevant chairman could attend the Executive when it considers an item previously discussed by a scrutiny committee to amplify the committee's views and comments, even if it had not been a pre-decision scrutiny item. The Chairman advised that if any chairmen were unable to attend the Executive, he was happy to provide the update on their behalf.

It was highlighted that as part of the joint working between the Audit Committee and the Overview and Scrutiny Management Board, all members of the Committee and the Board had been invited to attend an informal workshop on 19 December 2018 at 10.00 am, which would focus on the lessons learnt from the issues faced by Northamptonshire County Council. The Chairman encouraged attendance.

It was advised that a pre-decision scrutiny item on *Continuation of Windows 10 Notebook and PC rollout* had been added to the December agenda, prior to a decision by the Executive Councillor for Highways, Transport and IT between 27 December 2018 and 8 January 2019.

It was suggested that the meeting of the Board scheduled for 20 December 2018 be rearranged to 19 December 2018 at 11.45 am, to follow on from the above mentioned workshop.

OVERVIEW AND SCRUTINY MANAGEMENT BOARD
29 NOVEMBER 2018

The Executive Support Councillor for Resources and Communication reminded the Board of the informal councillor budget briefings scheduled for 3 December 2018 at 1.00 pm and 5 December 2018 at 10.00 am. Attendance at the briefings was encouraged.

65 CONSIDERATION OF CALL-INS

None were received.

66 CONSIDERATION OF COUNCILLOR CALLS FOR ACTION

None were received.

67 PERFORMANCE OF THE CORPORATE SUPPORT SERVICES
CONTRACT

Consideration was given to a report by Sophie Reeve (Chief Commercial Officer), which reviewed the recent re-provision of the corporate support services work and how it might impact on the Overview and Scrutiny Management Board's future overview and scrutiny of corporate support services (CSS).

The report also provided an update on Serco's performance against:

- Contractual Key Performance Indicators (KPIs) specified in the Corporate Support Services Contract between July and September 2018; and
- Serco's progress against key IMT-related transformation and transactional projects, as set out in Appendix A to the report.

The Chief Commercial Officer presented the report to the Board, which provided detailed information under the following sub-headings: Background; Council Housekeeping; Payroll and HR Administration Further Improvements; Possible Approach to Future Overview and Scrutiny; and Performance against KPIs.

Questions and comments from members and officers included the following: -

- During the review period July – September 2018 inclusive, all of the measured KPIs had been achieved (green). Performance against KPIs had been consistently strong between April and September 2018, Table 1 on page 19 of the agenda pack detailed the overall KPI Summary Performance. As a result of the consistent strong performance over the last 12 months, the Council had streamlined its contract governance with the introduction of a single monthly Partnership Board and lighter touch service review meetings.
- The Council had recently established an Agresso Programme Board, with the intention of raising its profile. The programme would include a rebuild of the Agresso configuration in line with the standard configuration and where necessary a consequent re-design of the associated business processes.
- An IMT Board had also been established which would be chaired by a chief officer and would ensure that IMT improvements were given the highest priority and that impetus was maintained. One of the first things it would

OVERVIEW AND SCRUTINY MANAGEMENT BOARD 29 NOVEMBER 2018

consider was the adoption of an IMT Strategy, which would be available in draft form by the end of 2018.

- The IMT Strategy was likely to consist of three sub strategies: Information Management Strategy; Service Delivery Strategy; and Technical Strategy.
- Serco had recently appointed a dedicated Operations Director for Lincolnshire on a full-time basis, which had added senior capacity and had accelerated decision-making, and had made Serco more responsive to operational issues.
- There were a number of Council housekeeping measures that were proposed in the report, which had included a reduction in the number of Council end user devices in use; and a reduction in email accounts (particularly in relation to leavers). The Board expressed concern that the total number of live email accounts exceeded the number of employees. The Board was assured that the Council's processes for leavers, which managers were required to follow, included the deactivation of email accounts. It was also advised that in certain instances the manager might wish to keep the email account open to access the e-mails; however, it was confirmed that the former employee would no longer have access to the account themselves.
- The Board supported the introduction of the council housekeeping initiatives, as this would improve the overall service, reduce cost and strengthen partnership working.
- As the CSS was now improving and performance had stabilised, the report proposed a possible approach to future overview and scrutiny which included a suggestion for the Board to exercise a wider Overview function and look forward to the future delivery of the support services taking a more strategic view on a six-monthly basis. The report outlined what could be considered as part of the overview function.
- In addition to the proposed Overview reporting, reports could be taken focusing on scrutiny matters, such as KPI exception performance reporting; progress against outstanding payroll matters; and new housekeeping initiatives by the Council. A separate scrutiny report could also be presented detailing IMT issues, including progress made against the top 20 IMT projects and by the IMT Board.
- The Board supported the proposals on the future overview and scrutiny arrangements for the CSSC.
- The Board welcomed the continued improvements in KPI performance and reiterated the need to receive exception performance reporting going forward as and when necessary.
- A concern was raised regarding the suggestions, as part of the proposed council housekeeping, that there would be a reduction in the number of exceptions given where a purchase order was not required; and a possible reduction in the use of 'one time' suppliers. In response, the Board was assured that 'one-time suppliers' refers to a system process and it was not an intention to reduce the number of suppliers. It was also advised that Small and Medium Enterprises (SMEs) would be supported in introducing purchase ordering, which would ultimately simplify the process for SMEs.
- The Board supported the introduction of a *Benefit Realisation Review* approach in relation to IMT scrutiny activity, as this would advise whether the benefits anticipated by key IMT projects and services were realised.

OVERVIEW AND SCRUTINY MANAGEMENT BOARD
29 NOVEMBER 2018

- In response to a question, the Board was advised that the two KPI performance indicators in mitigation were as a result of the Agresso and Mosaic systems not yet being fully integrated. It was advised that both Adult Care and Serco had provided additional resources as part of the system workaround until a long-term resolution could be found. It was advised that grant funding was available to support the introduction of online financial assessments, which would also help achieve the KPIs. It was agreed that in future the report would provide information on any agreed mitigation.
- In response to a question, the Chief Digital Officer updated the Board on IMT project 277 – *OpenText Migration*, where support would be given to the County Council and OpenText in migrating the IMP document management system to the OpenText hosted solution, effectively a cloud storage system. It was advised that the project was currently at the test stage and following a revision to the project plan, to add an additional testing phase, the revised target go-live date was 21 January 2019, subject to third party availability.

RESOLVED

- (1) That the proposed approach to future overview and scrutiny arrangement, as detailed in the report on pages 17 and 18 of the agenda pack, be supported.
- (2) That the Board records its reassurance on the performance of the Corporate Support Services Contract.
- (3) That the progress against the top 20 priority IMT projects, as detailed at Appendix A, be noted.
- (4) That the comments of the Board be noted by officers.

68 MICROSOFT ENTERPRISE AGREEMENT

Consideration was given to a report by John Wickens (Chief Digital Officer), which invited the Overview and Scrutiny Management Board to consider a report on the *Microsoft Enterprise Agreement*, which would be presented to the Executive Councillor for Highways, Transport and IT between 3 and 14 December 2018. The views of the Board would be reported to the Executive Councillor as part of his consideration of the report.

The Chief Digital Officer presented the executive councillor report, as detailed at Appendix 1, and advised that the report sought to re-procure the Council's Microsoft Enterprise Agreement. The agreement would be for a three-year term contract to deliver the licensing for a number of Microsoft Products used across the Council.

The anticipated cost of the core purchase of licences and associated products was approximately between £3.25m - £3.5m over the three-year contract, depending whether a price reduction could be secured for early commitment to the purchase. The reduction combined with other rationalisation would represent a saving of £500k

**OVERVIEW AND SCRUTINY MANAGEMENT BOARD
29 NOVEMBER 2018**

if the products utilised were static over the life of the agreement, though in practice the product mix would change over the life of the agreement.

Members were provided with an opportunity to ask questions, where the following points were noted: -

- Although it was proposed that the Microsoft Enterprise Agreement would be procured through a supplier, Microsoft would still provide the support as part of the package and therefore there was no risk to the Council if the supplier ceased to exist.
- In relation to cloud storage, the Council was not tied to Microsoft, and could look at alternative providers such as Amazon or Google to ensure best value for money.
- Confirmation was provided that the predicted £500,000 savings, as detailed in the executive councillor report, were achievable and could be realised.
- It was advised that 85% of local authorities had continued to use Microsoft products rather than moving to an alternative provider, whereas the education market had moved towards Google products.
- The development of the IMT Strategy would help the Council to identify potential applications and providers earlier in the process as the market develops.
- The Board requested that the Council kept up-to-date with developments in the IT market.

RESOLVED

- (1) That the recommendations as detailed in the Executive Councillor report, as detailed at Appendix 1 to the report, be supported.
- (2) That the above comments of the Board be reported to the Executive Councillor for Highways, Transport and IT as part of his consideration of the decision report.

69 2018/19 COUNCIL BUSINESS PLAN QUARTER 2

Consideration was given to a report by Jasmine Sodhi (Performance and Equalities Manager), which invited the Overview and Scrutiny Management Board to consider a report on the 2018/19 Council Business Plan Quarter 2, which would be presented to the Executive on 18 December 2018. The views of the Board would be reported to the Executive as part of its consideration of the report.

The report also presented the Council Business Plan performance indicators which fell within the remit of the Board.

The Performance and Equalities Manager presented the executive report on Quarter 2 Performance, which was detailed at Appendix 1, and highlighted that of the 14 commissioning strategies reported in Quarter 2: seven had performed really well (all

OVERVIEW AND SCRUTINY MANAGEMENT BOARD
29 NOVEMBER 2018

measures reported in Quarter 2 had achieved the target); four had mixed performance (some measures did not achieve the target in Quarter 2).

It was highlighted that Measure 59 (*Carers Supported in the last 12 months per 100,000 population*) was expected to increase and had revised the target to 1,730 per 100,000 population. Although the revised target had not been achieved in Quarter 1, the target had been achieved in Quarter 2 with an increase of 232 carers supported compared with Quarter 1.

Also, as reported in Quarter 1 in the Protecting the Public Commissioning Strategy, the Trading Standards Service had planned a number of operations for Quarter 2 for Measure 1 (*Illicit alcohol and tobacco seized*). This had resulted in a significant increase in seizure figures of 10,522 in Quarter 2 exceeding the annual target of 6,000.

It was also highlighted that since Quarter 1, in the Protecting and Sustaining the Environment Commissioning Strategy, data for Measure 74 (*carbon dioxide emissions from County Council Activity*) was now available. A 23.4% reduction from the 2011/12 baseline had been achieved, which had exceeded the target of a 22% reduction by March 2018. A reduction of 4,933 tonnes of carbon dioxide from 2016/17 figure had been achieved. There had been a significant reduction of 3,419 tonnes almost exclusively from street lighting, which was owing to the upgrading of street lights to LED and part night lighting.

Appendix A to the Executive report provided a summary of measures that did not achieve the target in Quarter 2. The following four measures had been reported as not achieving the target for the first time in 2018/19:

- Adults reoffending;
- Juvenile reoffending;
- Primary fires; and
- Wellbeing commissioning strategy.

The Board was provided with an opportunity to ask questions, where the following points were noted: -

- Measure 19 (*Primary Fires*) – Concern was raised about the increase in the number of primary fires. It was highlighted that this was potentially owing to the drier conditions as a result of the hot weather over the summer months. The Chairman of the Public Protection and Communities Scrutiny Committee confirmed that it will be looking in more detail at this and the other indicators highlighted in the report under its remit on 11 December 2018
- Measure 76 (*Recycling at County Council owned Household Waste Recycling Centres*), and Measure 78 (*Household waste recycled*) – Concern was raised about the fall in recycling rates. The Chairman of the Environment and Economy Scrutiny Committee highlighted that at its meeting on 27 November 2018, there had been an in depth discussion on this issue and the need to identify what people were putting in their bins. It was noted that the Joint Municipal Waste Strategy was due for approval by the County Council on

**OVERVIEW AND SCRUTINY MANAGEMENT BOARD
29 NOVEMBER 2018**

14 December 2018, which would develop some proposals to address this issue.

The Board requested clarification and further information on the following performance indicators:

- Measure 2 (*Unsafe and counterfeit goods removed from the market*) – Further information was requested regarding why the performance was so low against the target and whether there was an issue with capacity.
- Measure 6 (*Alcohol related violent crimes*) – Clarification was requested on how the Police had changed its reporting practices; for example, if officers attended an incident reported to be 'alcohol related' and it turned out not to be, was this removed from the final figure. The Board suggested that the use of the word 'target' should be removed; if it remained a target, the Board recorded a preference for the target to be zero, not 880.
- Measure 74 (*carbon dioxide emissions from County Council Activity*) – The Board requested a breakdown of the tonnage and subsequent monetary savings achieved by LED lights and part night lighting.
- Measure 35 (*Contact with the Heritage Service*) – Further information was requested regarding the justification for switching the focus of the measures from quantitative to qualitative as mentioned in the report.
- Measure 1 (*Illicit Alcohol and Tobacco Seized*) – The Board requested a breakdown on how much the County Council had spent on facilitating the seizure of illicit alcohol and tobacco.
- Measure 31 (*Percentage of alcohol users left specialist treatment successfully*) – Further information was requested on how many people had successfully stayed away from treatment; at what point were people deemed to have been treated successfully; was there any longer term support available for service users; and in relation to high caseloads and waiting lists, were there any people not able to access the service at all due to certain service users being prioritised.
- Measure 63 (*Adults who receive a Direct Payment*) – Clarification was requested about whether the under-performance of this target was linked to the two key performance indicators in mitigation, as a result of the Agresso and Mosaic systems not yet being fully integrated, as set out under the Corporate Support Services contract – Minute 67 refers.
- Measure 119 (*Percentage of adults aged 18-64 with a mental health need in receipt of long term support who have been reviewed*) – Clarification was requested as to why the age bracket was defined as 18-64, and what happened when the adult turned 65.
- Measure 125 (*Juvenile re-offending*) – Clarification was requested as to whether cautions and restorative justice interventions counted as first offences; and if another crime was committed, was that individual included in the re-offending cohort.
- Measure 111 (*People successfully supported to quit smoking*) – Clarification was requested about whether the service continued to measure after the four-week point.

RESOLVED

- (1) That the two recommendations detailed in the Executive report, as detailed at Appendix 1 to the report, be supported.
- (2) That the comments of the Board be presented to the Executive on 18 December 2018 when consideration be given to 2018/19 Council Business Plan Quarter 2.

70 TREASURY MANAGEMENT - QUARTER 2 UPDATE REPORT 2018/19 TO 30 SEPTEMBER 2018

Consideration was given to a report by Karen Tonge (Treasury Manager), which detailed the Council's treasury management activities for the first half of 2018/19 to 30 September 2018, comparing activity to the Treasury Management Strategy for 2018/19 that had been approved by the Leader of the Council and Executive Councillor for Resources and Communications on 20 March 2018.

The quarterly update report was presented in the form of a quarterly bulletin that would cover the main issues arising to 30 September 2018 in the following areas:

- interest rate review, economic overview and revised interest rate forecast;
- annual investment strategy / authorised lending list changes during the quarter;
- Investment position and comparison with strategy.
- Borrowing and debt rescheduling position and comparison with strategy; and
- Other treasury management issues arising during period.

The quarterly bulletin report was detailed at Appendix A to the report and was presented to the Board by the Treasury Manager. During the discussion of Appendix A the following points were noted: -

- The base rate had increased by 0.25% to 0.75% on 2 August 2018 and both short term and long term rates had risen accordingly;
- The latest interest forecast from Link Asset Services in November 2018, as detailed on page 78 of the agenda pack, had been developed on the assumption that there would be an agreement between the United Kingdom (UK) and the European Union (EU) on the UK's withdrawal from the EU. The potential impact on the economy of a no agreement was discussed by the Board;
- The Council had continued to outperform the investment benchmark by lengthening the weighted average maturity of the fund. As of 29 November 2018, the Council's investment position performance annualised was at 0.9%. It was also highlighted that the weighted average maturity figure for English counties, as detailed on page 79 of the agenda pack, should read 99 and not 15;
- No external borrowing had been undertaken to date;

OVERVIEW AND SCRUTINY MANAGEMENT BOARD 29 NOVEMBER 2018

- The cost of the Council's borrowing at 30 September 2018 was 4.12%, the Council's internal borrowing level stood at £82.152m at 31 March 2018 with £21.946m of internal borrowing being carried forward in 2018/19, along with capital expenditure and borrowing requirement underspends;
- Temporary borrowing of £5m was outstanding at 30 September 2018, taken to cover predicted liquidity shortfalls at a cost neutral level;
- A capital strategy was being formulated to meet the requirements of the new Prudential Code 2017 and would align with the 2019/20 Budget Report;
- It was also highlighted that treasury management training for members had been arranged for 31 January 2019, which would include guidance on the Capital Strategy;
- A member of the Board highlighted an article in the Financial Times relating to the Danske Bank's alleged involvement in a money laundering operation; and
- The Board requested that the figures contained within Appendix A also included an explanatory footnote to aid the Committee's understanding of the information.

RESOLVED

- (1) That the report be noted.
- (2) That the Executive Support Councillor for Resources and Communication be requested to pass on the comments of the Board to the Leader of the Council and Executive Councillor for Resources and Communication.

71 SCRUTINY COMMITTEE WORK PROGRAMMES

The Overview and Scrutiny Management Board was invited to consider whether it was satisfied with the content of the work programmes of the Adults and Community Wellbeing Scrutiny Committee and the Health Scrutiny Committee for Lincolnshire; and, if appropriate, to make suggestions on the content of the work programmes of these two committees.

Adults and Community Wellbeing Scrutiny Committee

Councillor Hugo Marfleet, Chairman of the Adults and Community Wellbeing Scrutiny Committee, highlighted two items that had been considered by the Committee on 28 November 2018. Firstly, reference was made to the *Wellbeing Service*, where the Committee had received an update on the new contractual arrangements whereby there was one provider for all Lincolnshire.

Secondly, as part of the Committee's item on the *Digital Road Map for Adult Care and Community Wellbeing*, three IT developments had been highlighted: Online Self-Serve Financial Assessments; Data Security Protection Toolkit; and Connect to Support.

In addition to the items included on pages 103-104 of the report pack, an item on *Sexual Health Services* would be included on the agenda for 16 January 2019.

OVERVIEW AND SCRUTINY MANAGEMENT BOARD
29 NOVEMBER 2018

Community Based Support for People with Dementia and Their Families; and Budget Monitoring 2018-19 had been added to the agenda for 27 February 2019. Two items had also been added to the agenda for 10 April 2019: *Integrated Community Care Portfolio; and Opportunities and Challenges of Rurality*.

In relation to *Integrated Lifestyle Support Services*, which had been considered by the Committee on 10 October 2018, there was a comment that a higher than average body mass index (BMI) did not indicate obesity in every instance. Links between obesity and mental health were also discussed by the Committee.

In response to a question on the fragility of private health and care providers, the Chairman of the Committee referred to the arrangements made to maintain the Lincolnshire Assessment and Re-ablement Service, where the existing provider was expected to cease operations on 14 December 2018. The contract had been transferred to a new provider, Libertas, who had guaranteed services to clients and jobs for existing employees.

A request was made for the Board to receive information on the Committee's proposed item for 10 April on *Opportunities and Challenges of Rurality* as part of the next update from the Committee on 26 April 2019.

Health Scrutiny Committee for Lincolnshire

In addition to the items highlighted on pages 107 – 109 of the agenda pack, Councillor Carl Macey, Chairman of the Health Scrutiny Committee for Lincolnshire, reported that in relation to the Committee's referral to the Secretary of State for Health and Social Care of the 'temporary' overnight closure of *Grantham Accident and Emergency Department*, the latest position was that the Minister of State for Health had asked South West Lincolnshire Clinical Commissioning Group and United Lincolnshire Hospitals NHS Trust to send to him their plans for consultation by 31 December 2018. The Chairman looked to have this item included on the agenda for the Committee's January meeting.

In relation to *Louth County Hospital In-patient Services*, Lincolnshire East Clinical Commissioning Group had replied to the Committee's statement on the engagement exercise; and had also announced revisions to its proposed model of care at the hospital, so that Carlton Ward would provide 20 beds and Manby Ward would reopen as an eight-bed frailty assessment unit. These developments would be reported to the next meeting of the Committee on 12 December 2018.

The publication of the *NHS Long Term Plan* was due in early December and was likely to include an expectation for local sustainability and transformation partnerships to engage on the development of their own plans in line with the national plan in the first half of 2019. As a consequence it was now expected that the Lincolnshire Sustainability and Transformation Partnership's acute services review would be published and its consideration would occupy much of the Committee's time in the next few months.

**OVERVIEW AND SCRUTINY MANAGEMENT BOARD
29 NOVEMBER 2018**

In addition to the above, The Committee is now planning two items for its February meeting: *North West Anglia NHS Foundation Trust Update*; and *Non-Emergency Patient Transport (Thames Ambulance Service)*.

In relation to extended GP opening hours, which had been introduced on 1 October 2018, the level of information available to patients about these new services was raised. As the services were relatively new, it might take time for all patients to be aware of them.

RESOLVED

- (1) That the Board record its satisfaction with and support for the content of the work programme of the Adults and Community Wellbeing Scrutiny Committee, with a request that information on the proposed item on *Opportunities and Challenges of Rurality* be included in the next update from the Committee to the Board on 26 April 2019.
- (2) That the Board record its satisfaction with and support for the content of the work programme of the Health Scrutiny Committee for Lincolnshire.

**72 OVERVIEW AND SCRUTINY MANAGEMENT BOARD WORK
PROGRAMME**

The Overview and Scrutiny Management Board was provided with an opportunity to review its own work programme.

The Board was reminded that a joint informal workshop had been arranged for 19 December 2018 at 10.30 am between the Board and the Audit Committee to consider lessons learnt from Northamptonshire County Council. The Chairman encouraged attendance at the workshop.

It was advised that a pre-decision scrutiny item on *Continuation of Windows 10 Notebook and PC rollout* had been added to the December agenda, prior to a decision by the Executive Councillor for Highways, Transport and IT between 27 December 2018 and 8 January 2019.

It was suggested and agreed that the meeting of the Board scheduled for 20 December 2018 be rearranged to 19 December 2018 at 11.45 am, to follow on from the above mentioned workshop.

RESOLVED

- (1) That the content of the work programme be approved.
- (2) That the meeting of the Board scheduled for 20 December 2018 be rearranged to 19 December 2018 at 11.45 am, to follow on from the joint informal workshop.

The meeting closed at 12.50 pm

Open Report on behalf of Pete Moore, Executive Director for Finance and Public Protection

Report to:	Overview and Scrutiny Management Board
Date:	19 December 2018
Subject:	Continuation of Windows 10 Notebook and PC rollout

Summary:

This report invites the Overview and Scrutiny Management Board (OSMB) to consider a report on the Continuation of Windows 10 Notebook and PC rollout which will be presented to the Executive Councillor for Highways, Transport and IT between 27 December 2018 and 8 January 2019. The views of the Board will be reported to the Executive Councillor as part of his consideration of this item.

Actions Required:

The Overview and Scrutiny Management Board is invited to:-

- 1) Consider the attached report and to determine whether the Board supports the recommendation(s) to the Executive Councillor for Highways, Transport and IT as set out in the report.
- 2) Agree any additional comments to be passed to the Executive Councillor for Highways, Transport and IT in relation to this item.

1. Background

The Executive Councillor for Highways, Transport and IT is due to consider a report on the Continuation of Windows 10 Notebook and PC rollout. The full report to the Executive Councillor is attached at Appendix 1 to this report.

2. Conclusion

Following consideration of the attached report to the Executive Councillor, the Board is requested to consider whether it supports the recommendation(s) in the report and whether it wishes to make any additional comments to the Executive Councillor. Comments from the Board will be reported to the Executive Councillor.

3. Consultation

a) Have Risks and Impact Analysis been carried out?

See Appendix 1.

b) Risks and Impact Analysis

See Appendix 1.

4. Appendices

These are listed below and attached at the back of the report	
Appendix 1	Report on Continuation of Windows 10 Notebook and PC rollout to be presented to the Executive Councillor for Highways, Transport and IT between 27 December 2018 and 8 January 2019

5. Background Papers

No background papers within Section 100D of the Local Government Act 1972 were used in the preparation of this report.

This report was written by John Wickens, who can be contacted on 01522 553651 or john.wickens@lincolnshire.gov.uk

Open Report on behalf of Pete Moore, Executive Director for Finance and Public Protection

Report to:	Councillor R G Davies, Executive Councillor for Highways, Transport and IT
Date:	27 December 2018 to 8 January 2019
Subject:	Continuation of Windows 10 Notebook and PC rollout
Decision Reference:	I016922
Key decision?	Yes

Summary:

The IMT service has now delivered a number of projects delivering Windows 10 Notebooks and PCs to Lincolnshire County Council network users. As the existing projects to rollout to social care workers near completion, the IMT service would like to maintain momentum and now commission the completion of the rollout to replace the remainder of Windows 7 devices in general corporate use before the end of support date in January 2020.

Recommendation(s):

That the Executive Councillor:-

1. Approves the completion of the rollout of Windows 10 Laptops and PCs to replace the Windows 7 laptops and PCs in general corporate use within the Council.
2. Delegates to the Executive Director for Finance and Public Protection, in consultation with the Executive Councillor for Highways, Transport and IT, authority to take all decisions and approve the entering into of all such contracts as are necessary to give effect to the above decision.

Alternatives Considered:

- | | |
|----|--|
| 1. | Not to complete the rollout.

The Council would be non-compliant with its security obligations in January 2020 and users of the oldest notebooks would continue to have very slow devices leading to low productivity. |
|----|--|

Reasons for Recommendation:

The outcomes of the rollout to date have confirmed a high level of business satisfaction with the products and methods chosen. The end of support date for

Windows 7 is January 2020 and the security of Windows 7 devices cannot be assured after that date due to the discontinuation of security patches from the vendor.

1. Background

During 2017-18 a project to ascertain the optimum approach and devices was delivered by Serco, culminating in separate projects to deploy new HP Notebooks, Tablets and PCs into social care functions and also to start the replacement the Windows 7 Notebooks and PCs in general corporate use.

Results from the transition to a 64Bit operating system and newer equipment with better portability, screen quality and performance have been a high level of satisfaction from users and a financial saving compared to similar devices from the then incumbent supplier.

The end of support date for Windows 7 is January 2020 and security of Windows 7 devices cannot be assured after that date due to the discontinuation of security patches from the vendor. Previous projects have had a deployment run rate of 400 devices per month and continuing this work assures the work will be completed in time.

The opportunity was also taken to ensure that Notebooks and Tablets had SIM enabled options (Mobile data option or as standard) allowing more mobile workers and Members to be equipped with a data connection and this combined with the native Windows 10 feature "Direct Access" has allowed seamless remote working "as if" at an Lincolnshire County Council site anywhere a workable Internet Connection can be established, including via the 4G Cellular data (mobile phone) service.

The most consistent demand to the IMT service is now "when can we have our windows 10 Notebooks?"

The project will determine the number of devices required to complete the rollout. To enable the continuation of the current rollout, a budget allocation of £2.5m has been made from the 2018/19 'New Developments Capital Contingency', with a total budget of £5m identified from this and the 2019/20 Infrastructure & Refresh Programme.

The estimated cost to complete the project is £5m though it should be noted other work is planned which is intended to reduce deployment cost further.

2. Legal Issues:

Equality Act 2010

Under section 149 of the Equality Act 2010, the Council must, in the exercise of its functions, have due regard to the need to:

* Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act

* Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it

* Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The relevant protected characteristics are age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; and sexual orientation

Having due regard to the need to advance equality of opportunity involves having due regard, in particular, to the need to:

* Remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic

* Take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it

* Encourage persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low

The steps involved in meeting the needs of disabled persons that are different from the needs of persons who are not disabled include, in particular, steps to take account of disabled persons' disabilities

Having due regard to the need to foster good relations between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to tackle prejudice, and promote understanding

Compliance with the duties in section 149 may involve treating some persons more favourably than others

The duty cannot be delegated and must be discharged by the decision-maker. To discharge the statutory duty the decision-maker must analyse all the relevant material with the specific statutory obligations in mind. If a risk of adverse impact is identified consideration must be given to measures to avoid that impact as part of the decision making process

The rollout will be implemented equally without regard to whether someone has a protected characteristic. Separately from the rollout and as part of its standard practice the Council provides a range of tools to facilitate equal access to the use of IT for people who may require adjustments to be made because of a protected characteristic, particularly people with a disability.

Joint Strategic Needs Analysis (JSNA and the Joint Health and Wellbeing Strategy (JHWS)

The Council must have regard to the Joint Strategic Needs Assessment (JSNA) and the Joint Health & Well Being Strategy (JHWS) in coming to a decision

The JSNA and JHWS have been considered and this decision is not considered to have any direct impact on them

Crime and Disorder

Under section 17 of the Crime and Disorder Act 1998, the Council must exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area (including anti-social and other behaviour adversely affecting the local environment), the misuse of drugs, alcohol and other substances in its area and re-offending in its area

Consideration has been given to the section 17 requirements and this decision is not considered to have any direct impact on them.

3. Conclusion

This Report seeks approval to continue the rollout of Windows 10 laptop and PC devices to deliver business benefits and to move the Council away from reliance on Windows 7 in advance of that system becoming unsupported.

4. Legal Comments:

The Council has the power to pursue the rollout described.

The decision is consistent with the Policy Framework and within the remit of the Executive Councillor.

5. Resource Comments:

Accepting the recommendation in this report will commit a capital spend for the Council. This will be met by a £2.5m allocation from the 2018/19 approved capital programme and from the 2019/20 programme which will form part of the budget discussion at the February 2019 County Council. Any costs committed before the approval of the 2019/20 programme can be met from existing IMT resources available if required.

6. Consultation

a) Has Local Member Been Consulted?

n/a

b) Has Executive Councillor Been Consulted?

Yes

c) Scrutiny Comments

The decision will be considered by the Overview and Scrutiny Management Board on 19 December 2018 and the comments of the Board will be reported to

the Executive Councillor when making the decision.

d) Have Risks and Impact Analysis been carried out?

Yes

e) Risks and Impact Analysis

See the body of the Report.

7. Background Papers

No Background Papers within the meaning of section 100D of the Local Government Act 1972 have been used in the preparation of this Report.

This report was written by John Wickens, who can be contacted on 01522 553651 or John.Wickens@lincolnshire.gov.uk

Open Report on behalf of David Coleman, Chief Legal Officer

Report to:	Overview and Scrutiny Management Board
Date:	19 December 2018
Subject:	Overview and Scrutiny Management Board Work Programme

Summary:

This item enables the Board to consider and comment on the content of its work programme for the coming year to ensure that scrutiny activity is focused where it can be of greatest benefit. Members are encouraged to highlight items that could be included for consideration in the work programme.

The work programme will be reviewed at each meeting of the Board to ensure that its contents are still relevant and will add value to the work of the Council and partners.

Actions Required:

Members of the Board are invited to:

- 1) Review and agree the Board's work programme as set out in Appendix A to this report.
- 2) Highlight for discussion any additional scrutiny activity which could be included for consideration in the work programme.

1. Background

Overview and Scrutiny should be positive, constructive, independent, fair and open. The scrutiny process should be challenging, as its aim is to identify areas for improvement. Scrutiny activity should be targeted, focused and timely and include issues of corporate and local importance, where scrutiny activity can influence and add value.

Overview and scrutiny committees should not, as a general rule, involve themselves in relatively minor matters or individual cases, particularly where there are other processes, which can handle these issues more effectively.

All members of overview and scrutiny committees are encouraged to bring forward important items of community interest to the Board whilst recognising that not all items will be taken up depending on available resource and assessment against the prioritisation toolkit.

Purpose of Scrutiny Activity

Set out below are the definitions used to describe the types of scrutiny, relating to the items on the Board's Work Programme:

Policy Development - The Board is involved in the development of policy, usually at an early stage, where a range of options are being considered.

Pre-Decision Scrutiny - The Board is scrutinising a proposal, prior to a decision on the proposal by the Executive, the Executive Councillor or a senior officer.

Policy Review - The Board is reviewing the implementation of policy, to consider the success, impact, outcomes and performance.

Performance Scrutiny - The Board is scrutinising periodic performance, issue specific performance or external inspection reports.

Consultation - The Board is responding to (or making arrangements to) respond to a consultation, either formally or informally. This includes pre-consultation engagement.

Budget Scrutiny - The Board is scrutinising the previous year's budget, or the current year's budget or proposals for the future year's budget.

Requests for specific items for information should be dealt with by other means, for instance briefing papers to members.

Identifying Topics

Selecting the right topics where scrutiny can add value is essential in order for scrutiny to be a positive influence on the work of the Council. Members may wish to consider the following questions when highlighting potential topics for discussion to the Board:-

- Will Scrutiny input add value?
Is there a clear objective for scrutinising the topic, what are the identifiable benefits and what is the likelihood of achieving a desired outcome?
- Is the topic a concern to local residents?
Does the topic have a potential impact for one or more section(s) of the local population?
- Is the topic a Council or partner priority area?
Does the topic relate to council corporate priority areas and is there a high level of budgetary commitment to the service/policy area?
- Are there relevant external factors relating to the issue?
Is the topic a central government priority area or is it a result of new government guidance or legislation?

Scrutiny and Executive Protocol

The County Council's Scrutiny and Executive Protocol sets out practical working arrangements which develops a unity of purpose between the Executive, overview and scrutiny committees as well as the Council's senior managers.

The Protocol provides a framework for positive relationships between the Executive and overview and scrutiny committees, but its effectiveness is dependent on all councillors and officers accepting the principles underlying the Protocol.

The Protocol includes the following expectations:

- The Chairman or Vice Chairman of the Overview and Scrutiny Management Board will as far as possible attend each meeting of the Executive.
- The Chairmen or Vice Chairmen of overview and scrutiny committees should attend meetings of the Executive, where an item relevant to their committee's remit is being considered.
- Regular briefing meetings are recommended between the Chairmen and Vice Chairmen of overview and scrutiny committees and the relevant Executive Councillor(s) and Executive Support Councillor(s). These meetings should include the scrutiny officers, and any relevant officers if required.
- It is accepted that Executive Councillors may not be able to attend all meetings of their relevant overview and scrutiny committees. An overview and scrutiny committee may request the attendance of an Executive Councillor for a particular item on the agenda. In such cases if the Executive Councillor is not available he or she should be represented by the Executive Support Councillor.

Scrutiny Panel Activity

Where a topic requires more in-depth consideration, the Board may commission a Scrutiny Panel to undertake a Scrutiny Review, subject to the availability of resources and approval of the Board. Details of Scrutiny Panel activity is set out in Appendix B.

Work Programme items on scrutiny review activity can include discussion on possible scrutiny review items; finalising the scoping for the review; consideration and approval of the final report; the response to the report; and monitoring outcomes of previous reviews.

The Board may also establish a maximum of two working groups at any one time, comprising a group of members from the Board.

Committee Working Group Activity

Scrutiny Committees may establish informal working groups, which can meet a maximum of three times, usually to consider matters in greater detail, and then to put their proposals to Committee. Details of Working Group activity is set out at Appendix C.

Executive Forward Plan

The Executive Forward Plan of key decisions is set out at Appendix D. This is background information for the Committee's consideration to ensure that all key decisions are scrutinised by the relevant scrutiny committee.

2. Conclusion

The Board's work programme for the coming year is attached at Appendix A to this report.

Members of the Board are invited to review, consider and comment on the work programme as set out in Appendix A and highlight for discussion any additional scrutiny activity which could be included for consideration in the work programme.

Consideration should be given to the items included in the work programme as well as any 'items to be programmed' listed.

3. Consultation

a) Have Risks and Impact Analysis been carried out?

Not Applicable

b) Risks and Impact Analysis

Not Applicable

4. Appendices

These are listed below and attached at the back of the report	
Appendix A	Overview and Scrutiny Management Board – Work Programme
Appendix B	Scrutiny Panel Activity
Appendix C	Working Group Activity
Appendix D	Forward Plan of Decisions

5. Background Papers

No background papers within Section 100D of the Local Government Act 1972 were used in the preparation of this report.

This report was written by Tracy Johnson, Senior Scrutiny Officer, who can be contacted on 01522 552164 or by e-mail at Tracy.Johnson@lincolnshire.gov.uk

OVERVIEW AND SCRUTINY MANAGEMENT BOARD

Chairman: Councillor Robert Parker

Vice Chairman: Councillor Ray Wootten

Each agenda includes the following standard items:

- **Call-in (if required)**
- **Councillor Call for Action (if required)**

19 December 2018		
Item	Contributor	Purpose
Continuation of Windows 10 Notebook and PC Rollout	John Wickens Chief Digital Officer	Pre-Decision Scrutiny (Executive Councillor Decision between 27 December 2018 - 8 January 2019)

31 January 2019		
Item	Contributor	Purpose
Revenue and Capital Budget Monitoring Report 2018/19	David Forbes, County Finance Officer	Pre-Decision Scrutiny (Executive Decision on 5 February 2019)
Final Draft Council Business Plan 2019/20	Jasmine Sodhi, Performance and Equalities Manager	Pre-Decision Scrutiny (Executive Decision on 5 February 2019)
Service Budget Proposals 2019/20	David Forbes, County Finance Officer	Budget Scrutiny
