

# **Lincolnshire On call Resilience Board**

## **1. PURPOSE**

As recommended by the LFR On Call Review to establish ongoing strategic level focus for On call matters with a view to demonstrating the high importance on the On call crewing system in LFR.

The formation of an 'On-Call' Resilience Board should be considered to ensure that relevant personnel continue the good work started by the review. It should ensure that improvements, policies or strategies that have been implemented are maintained and remain fit for purpose.

The Group will be the focal point for local On call engagement with staff, Rep bodies and Employers

In addition the group will also ensure wider national engagement with on call matters with a view to providing innovation and identifying good practice. E.g. NFCC, Home Office
