#### **1. Background**

The Roundabout Sponsorship and Advertising Scrutiny Panel was established in March 2018 to review the current policy dealing with the sponsorship of roundabouts, to develop the policy to enable effective management of roundabout sponsorship and advertising in Lincolnshire, and to consider the economic and commercialisation opportunities.

At the meeting of the Overview and Scrutiny Management Board on 29 March 2018 it was agreed that a review on Roundabout Sponsorship and Advertising should be undertaken. At its subsequent meeting on 30 August 2018, the Board agreed the following terms of reference for the scrutiny review:

*"This review will look at the current 'Sponsorship of Highway Planting' policy. The current policy dealing with the sponsorship of roundabouts (Highways and Transport 63/1/10) has been in existence since 1996. The review will consider and develop the policy to enable effective management of roundabout sponsorship and advertising in Lincolnshire.*

*The review will have the following main lines of enquiry: -*

1. *Examine the merits of commercial roundabout advertising, including reviewing current signage standards and associated road safety implications and concerns.*
2. *Explore whether the County Council wants to stimulate activity, and the level of sponsorship the Council would look to encourage and promote.*
3. *Examine the current appetite amongst district councils for sponsorship of roundabouts.*
4. *Examine whether the policy is accessible to potential sponsors and encourages businesses to sponsor roundabouts.*
5. *Explore further promoting and developing the economic and commercialisation aspect of the policy.*
6. *Examine whether sponsoring other verges could also be an option as part of this policy."*

The initial meeting of Scrutiny Panel A took place on 25 July 2018, and the Scrutiny Panel met a further seven times between September 2018 and April 2019.
