<b>Comment</b>	<b>Action taken</b>
I hoped it would help me do my daily job but the content covered today is what our payroll department does.	The course description clearly explains what it is about and who it is suitable for.
Include basic training of employer portal, submitting leaver forms etc.	The portal itself is covered to some degree and more so in the complete guide workshop.

**A summary of the compliments**

- Very useful & helps my understanding of the process of completing on line forms/returns
- Workshop has helped me with a few queries, thank you

\*The feedback forms for this session are missing from the electronic register. Once back in the Bradford office I will check the secure store cupboard.
