How to use Confirm Statuses

All emails are sent automatically when a status change is saved.

| Confirm Status | How Used | Communication to Customer |
|---|---|--|
| 0100 Enquiry Raised | When a fault is reported | Thank you for reporting this issue. A highways officer will investigate and provide an update within 14 days. |
| 0105 Enquiry raised to be actioned within 5 hours | When an emergency traffic signals fault is reported | Thank you for reporting this issue. A highways officer will investigate and provide an update within 14 days. |
| 0110 Enquiry raised to be actioned within 24 hours | When an emergency fault is reported | Thank you for reporting this issue. A highways officer will investigate and provide an update within 14 days. |
| 0115 Third Party Responsibility | When a fault is not the responsibility of Lincolnshire County Council | Thank you for reporting a fault on the highway. Unfortunately, this issue cannot be dealt with by the county council as the asset concerned is the responsibility of a third party. You will need to report the fault directly to the organisation responsible. Contact details are available at https://www.lincolnshire.gov.uk/highways-contacts |
| 0135 Immediate action – make safe | When a temp or permanent repair is being made within 24 hours of report | We are taking immediate action to make this fault safe. If subsequent work is required, this will be undertaken in accordance with our response times for fault reports which is available at https://www.lincolnshire.gov.uk/highways-faults . We will contact you again when an update is available. |
| 0145 Insufficient information | When a fault cannot be found or assessed due to incomplete information | Unfortunately we have been unable to take action with this fault as there was insufficient information. Please report again with more information about the fault and location. |
| 0150 Investigation required | When investigation is required | We need to investigate this report. We will contact you again when an update is available. |
| 0155 Investigations ongoing | When investigation is in process | We have carried out an initial assessment, but a more detailed investigation is required. We will provide a further update when this has been completed. |
| 0160 Assessed no action required | When you have investigated and the fault is highways responsibility but you are taking no action. Usually if the fault does not meet intervention criteria. | We have assessed the fault you reported and will not be taking any action at this time. We will continue to monitor this location as part of our safety inspection schedule. For information about our routine inspections and works programmes, please visit https://www.lincolnshire.gov.uk/highways-works-programmes |
| 0165 Forward Prog Brief Submitted | When passed to your for inclusion in future programmes | This fault will be assessed for the possibility of future permanent works and prioritised according to our Highways Asset Management |

| | | Plan. Our programme of works is available at http://www.lincolnshire.gov.uk/highways-works-programmes and is updated every Autumn. All requests are prioritised within the available annual budget so works may not appear on the next programme. |
|--------------------------------|--|--|
| | | However, we will continue to monitor this location as part of our routine inspection schedule and issue temporary repairs, where necessary, in accordance with our response times for fault reports. |
| 0175 Enforcement | When we are enforcing an obstruction e.g. overhanging hedge, dangerous tree, goods in the highway, A boards | We are taking appropriate enforcement action. The enforcement process can sometimes take a long time to complete. Although you may not see any site changes quickly work will still be taking place behind the scenes. Thank you for your patience while this work takes place. |
| 0180 Assessed – in cyclic prog | When a fault will be fixed on the next cyclic maintenance programme of grass cutting, weed spraying or gully cleansing | This fault will be fixed as part of our next cycle of works. We cut the grass three times a year and treat weeds twice a year between April and October. We clean highway drains once a year. |
| 0200 Job raised | When a job is raised from a report or the report is attached to an existing raised job. | This report has been assessed and a job for repair has been raised. We will contact you again when a further update is available. |
| 0230 Further work identified | When a job is moved to status 0415 'Inspected follow up required' | We're sorry, but after visiting site we were unable to resolve the issue immediately and further works are required. Thank you for your patience, we will contact you again when a further update is available. |
| 0250 Job Committed | When a job is committed from a report or the report is attached to an existing committed job. | We have instructed our Alliance Partners to make a repair. We will contact you again when a further update is available. |
| 0300 Job Complete | Automatic when a job attached to a report is completed. | We have completed repairs to this fault. Thank you for reporting a fault to Lincolnshire County Council |
