## Achievement of KPIs - VINCI Facilities Partnership Limited contract

An overall score of over 75% is required for the contractor to benefit from financial incentives gained by performing lower than their target costs.

At the start of the next year the Employer reviews the targets and weightings for Key Performance Indicators. The Council reserves the right to suspend the application of any gain share which the Contractor may be entitled to in the event of any occurrence of an investigation of Regulatory Body e.g. Health and Safety Executive, Environment Agency, and in the event of a successful prosecution and/or claim disallow the application of the gain share.

Key performance indicators provide percentage scores against baseline performance for the overall service and for each individual service area of the VINCI Facilities Partnership Limited contract.

The contractor's performance is incentivised to stimulate continuous improvement in providing the service.

The contractors score determines their access to any financial gain accrued through performing below their target costs submitted at tender.

Services measured and their percentage weighting are:-

Project services – 22.5%;

Managed services – 15%;

Hard FM Services – 22.5%;

Soft FM services – 22.5%;

Other property services – 12.5%; and

General service – 5%.

A higher percentage of KPIs achieved indicates a better performance.
