

Lincolnshire Pension Fund Business Plan 2021/22

INTRODUCTION

Lincolnshire County Council is the Administering Authority of the Lincolnshire Local Government Pension Scheme (LGPS).

Management of the Pension Fund is delegated to the Pensions Committee acting in the role of 'trustees' of the Pension Fund. The day to day running of the Fund has been delegated to the Executive Director of Resources and the Head of Pensions.

The Pensions Team has responsibility for all aspects of the Fund including governance, investments and accounting, and the oversight of the administration service that is managed in a shared service with West Yorkshire Pension Fund (WYPF).

The Business Plan is an important document which sets out the aims and objectives of the fund over the coming year, its core work and how the objectives will be achieved.

A report on the management of key risks is also included as part of the Business Plan.

OBJECTIVES

The Fund's overarching objectives are:

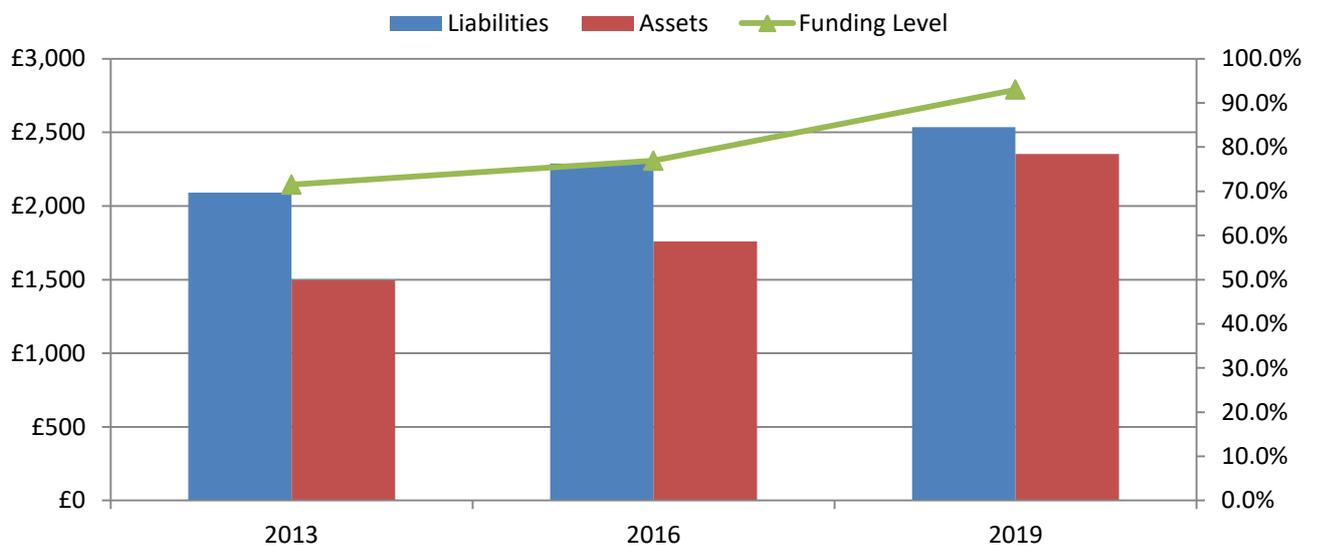

- **Governance:** To act with integrity and be accountable to stakeholders for decisions, ensuring that they are robust, well based and undertaken by people who have the appropriate knowledge and expertise;
- **Investments and Funding:** To maximise returns from investments within reasonable risk parameters and with clear investment decisions based on a prudent long term funding priorities, given the preference to keep employer contribution rates reasonably stable where appropriate; and
- **Administration and Communications:** In partnership with WYPF, to deliver an effective and efficient Pensions Administration service to all stakeholders, to ensure that the Fund receives all income due and payments are made to the right people at the right time, and to provide clear, appropriate and timely communication and support to all stakeholders;

The valuation provides a value for the liabilities and assets of the Fund and for each employer, to determine the overall funding level and to calculate individual employer contribution rates. The chart below shows the last three valuation cycles.

Delayed receipt of external audit opinion due to an issue with the Council's accounts meant Pension Fund accounts were published by 1 December without the opinion, but with an unqualified opinion was expected.	A detailed project plan has been put in place, built on experience from previous years and updated for new requirements. On-going engagement with the external auditors to ensure all requirements can be met in a timely manner.	Governance
