- The average point score (APS) per entry for A level has increased each year since 2017. APS fell substantially for Applied General and Tech level qualifications between 2017 and 2018, this coincided with the implementation of additional requirements for eligible vocational qualifications as part of vocational qualification reform, the drop is consistent with that of Lincolnshire's comparators. However in 2019 APS in Lincolnshire saw some improvement on 2018 with an increase of 2.24 for Tech Students and 0.5 for Applied General Students.
