

Lincolnshire Pension Fund Business Plan 2022/23

INTRODUCTION

Lincolnshire County Council is the Administering Authority of the Lincolnshire Local Government Pension Scheme (LGPS).

Management of the Pension Fund is delegated to the Pensions Committee acting in the role of 'trustees' of the Pension Fund. The day to day running of the Fund has been delegated to the Executive Director of Resources and the Head of Pensions.

The Pensions Team has responsibility for all aspects of the Fund including governance, investments and accounting, and the oversight of the administration service that is managed in a shared service with West Yorkshire Pension Fund (WYPF).

The Business Plan is an important document which sets out the aims and objectives of the fund over the coming year, its core work and how the objectives will be achieved.

A report on the management of key risks is also included as part of the Business Plan.

OBJECTIVES

The Fund's overarching objectives are:

The valuation provides a value for the liabilities and assets of the Fund and for each employer, to determine the overall funding level and to calculate individual employer contribution rates. The chart below shows the last three valuation cycles.

As mentioned previously, the administration function is provided by West Yorkshire Pension Fund in a shared service arrangement, with office space provided alongside the Pensions Team in Lincoln.
