A3	Grow the workforce by retaining and attracting more highly-skilled 18-40 year olds	We will increase the number of apprenticeships across priority sectors working with employers and education providers to increase availability and attractiveness.	Raise awareness of the opportunities for graduates via web and social media channels by March 2022.	GREEN (Progressing as planned)
A4	Promote healthy, inclusive and accessible employment and learning opportunities	We will produce sustainable transport strategies which promote alternative modes of transport, through collaborative working with our district and local partners which will include the creation of local transport boards.	Officers will have developed LTP documents following the consultation period. The documents will move through the democratic process of scrutiny, executive, and be approved at Full Council.	GREEN (Progressing as planned)
A5	Promote healthy, inclusive and accessible employment and learning opportunities	We will complete a comprehensive workforce strategy for all commissioned services (in part with the ICS) to inform future skills and determine further resources required to deliver it.	Will commence implementation of the strategy and plan.	GREEN (Progressing as planned)
A6	Champion educational excellence so every child/young person has a high quality education to succeed in life	We will help schools to be skilled at supporting children with special education needs and disabilities (SEND) in mainstream settings, through developing and delivering strategies and where an education, health and care plan is required, undertaking this assessment in a timely and creative way. Our SEND High Needs transformation programme will support improvement and delivery in this area.	We will evaluate the implementation of the Inclusion Toolkit and consider its impact on the number of requests for statutory assessments.	GREEN (Progressing as planned)

A7	Champion educational excellence so every child/young person has a high quality education to succeed in life	We will continue to encourage schools to work through collaborations in order to maximise expertise and best practice, enhancing our strategy for school improvement within the school-led self-improving system.	A robust programme of projects and resource development for school improvement, based on identified priorities, will be underway. This will be facilitated, signposted and supported by Locality Leads and delivered by our strategic sector partners and monitored by the Lincolnshire Learning Partnership Board.	GREEN (Progressing as planned)
A8	Deliver economic growth to create and sustain vibrant communities	We will support new and existing businesses to thrive, through delivering a strong, flexible and responsive Business Lincolnshire growth hub.	1) Continue to review and develop the business support services delivered by the Business Lincolnshire Growth Hub by March 2022. 2) Undertake a gap analysis and identify future business support needs by March 2022. 3) Work to develop future external funding bids to enhance current delivery – ongoing.	GREEN (Progressing as planned)
A9	Deliver economic growth to create and sustain vibrant communities	We will support our market towns to thrive, delivering regeneration with our partners.	Deliver full feasibility study and options appraisal for converting some publicly-owned buildings in town centres, particularly on high streets, into multi-use facilities to increase footfall. March 2022. Support relevant District Council partners to deliver 2021/22 Towns Funds targets. March 2022.	GREEN (Progressing as planned)
A10	Manage the risks to our environment from climate change to protect our natural and built resources for future generations	We will achieve net zero carbon emissions as a council by 2050 or earlier through the development of the Green Masterplan. We will provide climate leadership in Lincolnshire and beyond. We will define our 10 year climate change plan with the new executive.	Tree planting projects – delivery of the Treescapes funding – successfully bid for £169k to fund initial tree planting projects around the county. Developing a Lincolnshire Forest Partnership with the Woodland Trust and district councils. Tree Strategy development – to outline how the county can increase the amount of tree cover and reach the tree planting objectives. Further work on Active Travel – procurement of new round of the Bikeability scheme and update to the Lincoln Hire Bike project. Work on	GREEN (Progressing as planned)

A23	Advocate for investment in our transport and energy infrastructure, digital connectivity and schools, championing active, sustainable	We will improve utility infrastructure in order to enhance growth through exploring and implementing plans to maximise the development of energy, water and sewage, and digital infrastructure.	Deliver interim report on Key Lines of Enquiry (KLOEs) for Energy Option Analysis Study. March 2022 Narrative: <i>Although we ran an open and transparent procurement we had no suitable submissions from businesses who could carry out this work for us. In line with council rules we contacted other businesses directly and we have now found a supplier. They will start work shortly, but the time that the procurement exercise took meant that the start date was delayed and therefore the end date will be delayed too.</i>	RED (Not progressing as planned)
A25	Deliver 'clean' growth in the right place and at the right time	We will maximise the use and provision of our water as a valuable resource by working with our partners and researching to better understand how we balance over and under supply. Once we have solutions, we will develop an action plan.	We will undertake regular engagement and input into the water resource planning process for the supply and demand of water in the East of England to seek potential solutions and opportunities to the County's needs and requirements.	GREEN (Progressing as planned)
A26	Deliver 'clean' growth in the right place and at the right time	We will use our planning responsibilities to increase the benefits, and reduce the disbenefits, of new residential and commercial growth to our communities.	LCC will review of its Lincolnshire Minerals and Waste Local Plan. The next objective is to consult on an Issues and Options for the Plan with the target for this being April 2022.	GREEN (Progressing as planned)
A27	Champion Lincolnshire as a destination of choice to visit, live, relax, work and do business	We will work with partners to attract tourists to Lincolnshire, leading the way in raising the profile of the county and enhancing collaboration across our councils to maximise what Lincolnshire has to offer.	Creation and implementation of Green Tourism Toolkit – January 2022.	GREEN (Progressing as planned)

A28	Champion Lincolnshire as a destination of choice to visit, live, relax, work and do business	We will stimulate economic growth through the development of business premises across the county and through delivering the economic capital programme with our partners.	Deliver Cluster Hub Building on South Lincolnshire Food Enterprise Zone (SL FEZ). March 2022 Narrative: <i>The project is now scheduled to be formally handed over to LCC on 04.07.2022. Whilst there have been delays due to construction supply chain volatility and, to a lesser extent, labour illness / availability due to Covid-19 the project has nonetheless been completed in a short time frame and is part of the wider South Lincolnshire Food Enterprise Zone which LCC, with funding from the Local Enterprise Partnership and a partnership agreement with South Holland District Council, has led. We have already sold more plots at the Food Enterprise Zone than expected, and are in negotiations with innovative food businesses for others, so that this part of Lincolnshire remains a focus for the country's food manufacturing sector.</i>	AMBER (Progress is within agreed limits)
A29	Plan growth to benefit the whole community through connecting people, housing, employment, businesses and the natural environment	We will attract all sectors to make a major contribution to the planning and delivery of growth in the county, through being a leading partner in the Greater Lincolnshire LEP.	Begin the refresh process for the Strategic Infrastructure Delivery Plan (SIDP). Support partners internally and externally to produce good quality business cases so that Lincolnshire can identify good bids that will support this objective.	GREEN (Progressing as planned)

A32	Provide sufficient, high quality and inclusive education places locally	We will create more than 500 new special school places by 2024 as part of delivering the Building Communities of Specialist Support Strategy. We will work towards making 300 of those places available by September 2022.	By April 2022, 172 new places will be available in Lincolnshire Special Schools.	GREEN (Progressing as planned)
A33	Provide sufficient, high quality and inclusive education places locally	We will ensure eligible children aged 2, 3, and 4 years old are able to access their early years entitlement place in high quality inclusive provision, through reviewing and refreshing the actions of Lincolnshire's childcare delivery plan.	Summary of Activity.	GREEN (Progressing as planned)
A34	Improve the safety of local communities	We will continue to work with partners to enhance community safety. Over the next year we will focus on achieving this through reducing the impact of fraud, and through strengthening how we support those affected by domestic abuse or perpetrating abuse. We will improve the effectiveness and efficiency of service delivery through building a sustainable financial and operating model for the Public Protection Function, pooling budgets and undertaking joint commissioning activity.	By March 2022 we will have completed the Safer Lincolnshire Partnership (SLP) health check and agreed any revisions to the SLP structure for implementation in April 2022 including joint finance. The strategic assessment will have been presented and new priorities identified both for the SLP and any joint priorities in collaboration with Lincolnshire Safeguarding Adults Board (LSAB), Lincolnshire Safeguarding Children's Board (LSCP) and Lincolnshire Domestic Abuse Partnership (LDAP). Work to close down existing work plans will be complete. Work on the recommissioning of Domestic Abuse services in March 2023 will be on track with a needs assessment complete and new service design underway.
