Report to:	Public Protection and Communities Scrutiny Committee
Date:	20 June 2023
Subject:	Fire and Rescue Statement of Assurance 2022-23

Summary:

The Fire and Rescue National Framework for England sets out the requirement for fire and rescue authorities to provide an annual Statement of Assurance on financial, governance and operational matters. The Lincolnshire Fire and Rescue (LFR) Statement of Assurance for 2022-23 is attached. The Statement will be used as a source of information on which to base the Secretary of State's biennial report under section 25 of the Fire and Rescue Service Act 2004.

Actions Required:

Members of the Public Protection and Communities Scrutiny Committee are invited to review and comment on the contents of Lincolnshire Fire and Rescue Authority's Statement of Assurance 2022-23.

1. Background

The Fire and Rescue National Framework for England¹ sets out the requirement for fire and rescue authorities to provide an annual Statement of Assurance on financial, governance and operational matters and to show how they have had due regard to the expectations set out in their integrated risk management plan and the requirements included in the Framework. The attached report is intended to meet that obligation.

The Department for Communities and Local Government provided 'light touch' guidance on the content of the Statement leaving it to individual fire and rescue authorities to decide how to best present the information. As Lincolnshire Fire and Rescue is part of the County Council, much of the financial information has already been published in the Council's Statement of Accounts. Other information is readily available in the existing published documents. To avoid duplication these have been referenced in the Statement of Assurance where appropriate.
