xx November 2023

Dear Members of the Audit Committee

Audit Completion Report – follow-up letter

Following on from our recent meeting and as required by International Standards on Auditing (UK and Ireland), I am writing to communicate the conclusion of those matters that were marked as outstanding within the Audit Completion Report dated 8 September 2023 and verbally reported to you at the Audit Committee meeting of 25 September 2023.

The outstanding matters and the conclusions reached are detailed below:

Audit area	Matters previously outstanding	Status	Conclusions
Whole of Government Accounts	We have not yet received group instructions from the National Audit Office in respect of our work on the Council's WGA submission. We are unable to commence our work in this area until such instructions have been received.	Remains incomplete	We have not yet received final instructions from the National Audit Office and therefore are unable to issue the certificate.
Completion procedures	Procedures such as our quality control, review for post balance sheet events, and management representations are ongoing, and will remain as such, through to the date of issuing the auditor's report.	Complete	During our completion procedures, we identified an error that management has chosen not to adjust for because, in their view, the impact is not material. It is recorded as item 4 at Appendix A.
Value for Money	Our VFM work is complete, and we have not identified any significant weaknesses that require further work or reporting to members. Our commentary will be presented within our Auditor's Annual Report.	Complete	We issued a progress report in November 2022 setting our findings and, having completed the work on the financial statements have issued the Auditor's Annual Report.

Mazars LLP

Mazars LLP is the UK firm of Mazars, an integrated international advisory and accountancy organisation. Mazars LLP is a limited liability partnership registered in England and Wales with registered number OC308299 and with its registered office at 30 Old Bailey, London EC4M 7AU. Registered to carry on audit work in the UK by the Institute of Chartered Accountants in England and Wales. Details about our audit registration can be viewed at www.auditregister.org.uk under reference number C001139861. VAT number: GB 839 8356 73

A copy of the final wording of our audit report, in line with appendix B of our Audit Completion Report, is attached.

If you wish to discuss these or any other points, then please do not hesitate to contact me.

Yours sincerely,

Mark Surrige, Key Audit Partner
Mazars LLP

Appendix A – Consolidated Adjustments and Misstatements

Finalised unadjusted misstatements:

		Comprehensive Income and Expenditure Statement		Balance Sheet	
		Dr (£'000)	Cr (£'000)	Dr (£'000)	Cr (£'000)
1	Dr: CIES – Cost of Services Income Cr: GF Reserves	811			811
<p>Extrapolated error reported in November 2022: As part of our income cut off testing, we identified one transaction that related to 2020/21 and had been incorrectly recorded in the current financial year. This meant that income for 2021/22 is overstated. Because we apply a sampling methodology, where we cannot confirm the error is isolated, we must extrapolate the impact of the error across the remainder of the population. This has led to an extrapolated error of £811k.</p>					
2	DR: Unusable Reserves CR: Property, Plant & Equipment			1,501	1,501
<p>Extrapolated error reported in November 2022: As part of our property, plant and equipment valuation testing, we identified a number of variances between the internal area used in the calculation workings. It has been identified that the Council's records use Gross Internal Area, where the Valuer has used Net Internal area, with no way to reconcile the two. Therefore, this has been flagged as an error and extrapolated accordingly. This creates a net understatement within the financial statements. Because we apply a sampling methodology, where we cannot confirm the error is isolated, we must extrapolate the impact of the error across the remainder of the population. This has led to an extrapolated error of £1,501k</p>					
3	Dr: Cost of Services Income Cr: GF Reserves	4,951			4,951
<p>Extrapolated error reported in September 2023: As part of part of our income testing, we identified one transaction that related to a refund that had been incorrectly processed and not accounted for appropriately within the current financial year. This meant that income for 2021/22 is overstated. Because we apply a sampling methodology, where we cannot confirm the error is isolated, we must extrapolate the impact of the error across the remainder of the population.</p>					
4	DR Capital Additions CR: Short-Term Payables – Capital Accruals			3,382	3,382
<p>Factual error reported in November 2023: In our testing of capital additions for our 2022/23 audit, we identified an invoice posted in 2022/23 for works up to the end of March 2022 and therefore ought to have been accrued as capital expenditure in 2021/22.</p>					
Total unadjusted misstatements		5,762	0	4,883	10,645

Appendix B: Independent auditor's report to the members of Lincolnshire County Council

Report on the audit of the financial statements

Opinion on the financial statements

We have audited the financial statements of Lincolnshire County Council ("the Council") for the year ended 31 March 2022, which comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement, Lincolnshire Fire and Rescue Pension Fund statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets ("the Code Update"), published in November 2022.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the Council as at 31st March 2022 and of its expenditure and income for the year then ended; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 as amended by the Code Update.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities section of our report. We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Executive Director of Resources' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Council's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Executive Director of Resources with respect to going concern are described in the relevant sections of this report.

Other information

The Executive Director of Resources is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial

statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Executive Director of Resources for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts, the Executive Director of Resources is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 as amended by the Code Update, and for being satisfied that they give a true and fair view. The Executive Director of Resources is also responsible for such internal control as the Executive Director of Resources determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Executive Director of Resources is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 as amended by the Code Update and prepare the financial statements on a going concern basis on the assumption that the functions of the Council will continue in operational existence for the foreseeable future. The Executive Director of Resources is responsible for assessing each year whether or not it is appropriate for the Council to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Council, we identified that the principal risks of non-compliance with laws and regulations related to the Local Government Act 2003 (and associated regulations made under section 21), the Local Government Finance Acts of 1988, 1992 and 2012, and the Accounts and Audit Regulations 2015, and we considered the extent to which non-compliance might have a material effect on the financial statements.

We evaluated the Executive Director of Resources' incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to:

- discussing with management and the Audit Committee the policies and procedures regarding compliance with laws and regulations;

- communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the Council which were contrary to applicable laws and regulations, including fraud.

Our audit procedures in relation to fraud included but were not limited to:

- making enquiries of management and the Audit Committee on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;
- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management and the Audit Committee. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

We are also required to conclude on whether the Executive Director of Resources' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. We performed our work in accordance with Practice Note 10: Audit of financial statement and regularity of public sector bodies in the United Kingdom, and Supplementary Guidance Note 01, issued by the National Audit Office in September 2021.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception

We are required to report to you if, in our view we are not satisfied that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2022.

We have nothing to report in this respect.

Responsibilities of the Council

The Council is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We are required under section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We have undertaken our work in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in December 2021.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014;
or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Use of the audit report

This report is made solely to the members of Lincolnshire County Council, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Council those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Council, as a body, for our audit work, for this report, or for the opinions we have formed.

Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate until we have completed the work necessary to issue our assurance statement in respect of the Council's Whole of Government Accounts consolidation pack.

Appendix C: Management Representation Letter

Mazars LLP
First floor,
Two Chamberlain Square,
Birmingham
B3 3AX

Dear Mark

Lincolnshire County Council - audit for year ended 31 March 2022

This representation letter is provided in connection with your audit of the financial statements of Lincolnshire County Council (the Council) for the year ended 31 March 2022 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 (the Code) and applicable law.

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that I can properly make each of the following representations to you.

My responsibility for the financial statements and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with the Code and applicable law.

My responsibility to provide and disclose relevant information

I have provided you with:

- Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation, and other material;
- Additional information that you have requested from us for the purpose of the audit; and

Unrestricted access to individuals within the Council you determined it was necessary to contact in order to obtain audit evidence.

I confirm as Executive Director of Resources that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Council and committee meetings, have been made available to you.

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with the Code and International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the Council's financial position, financial performance and cash flows.

Accounting estimates, including those measured at fair value

I confirm that any significant assumptions used by the Council in making accounting estimates, including those measured at current or fair value, are reasonable.

I confirm that I am satisfied that the actuarial assumptions underlying the valuation of pension scheme liabilities for IAS19 disclosures are consistent with my knowledge. I confirm that all settlements and curtailments have been identified and properly accounted for. I confirm that all significant retirement benefits have been identified and properly accounted for (including any arrangements that are statutory, contractual or implicit in the employer's actions, that arise in the UK or overseas, that are funded or unfunded).

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Council have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code and applicable law.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

The Council has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Fraud and error

I acknowledge my responsibility as Executive Director of Resources for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

I have disclosed to you:

- All the results of my assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- All knowledge of fraud or suspected fraud affecting the Council involving:
 - management and those charged with governance;
 - employees who have significant roles in internal control; and

others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Council's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed to you in accordance with the requirements of the Code and applicable law.

I have disclosed the identity of the Council's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment and intangible assets below their carrying value at the balance sheet date. I have considered the impact of Covid-19 on the Council's Investment Properties. I have made reasonable enquiries regarding RAAC that may affect our assets. An impairment review is therefore not considered necessary.

Charges on assets

All the Council's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

I am not aware of any plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Subsequent events

I confirm all events subsequent to the date of the financial statements, and for which the Code and applicable law require adjustment or disclosure, have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Brexit

We confirm that we have carried out an assessment of the potential impact of the United Kingdom leaving the European Union, including the potential outcomes at the end of the Implementation Period, and that the disclosure in the Statement of Accounts fairly reflects that assessment.

Ukraine

We confirm that we have carried out an assessment of the potential impact of Russian Forces entering Ukraine on the business, including the impact of mitigation measures and uncertainties, and that the disclosure in the Narrative Report fairly reflects that assessment.

Current banking crisis

We confirm that we have assessed the impact on *Lincolnshire County Council* of the on-going Global Banking challenges, in particular whether there is any impact on the company's ability to continue as a going concern, and on the post balance sheet events disclosures.

We confirm that our exposure where applicable (either direct cash exposure or direct / indirect through investments) with Silicon Valley Bank, Credit Suisse, Signature Bank or any other bank in a distress situation, is not material.

Going concern

To the best of my knowledge there is nothing to indicate that the Council will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Annual Governance Statement

I am satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework and I confirm that I am not aware of any significant risks that are not disclosed within the AGS.

Narrative report

The disclosures within the Narrative Report fairly reflect my understanding of the Council's financial and operating performance over the period covered by the financial statements.

Unadjusted misstatements and internal control recommendations

I confirm that the effects of the uncorrected misstatements and internal control recommendations set out at Appendix A are immaterial, both individually and in aggregate, to the financial statements as a whole.

Yours faithfully

Executive Director of Resources

Appendix A
